

ADDENDUM NUMBER TWO

DATE: December 6, 2024

OWNER: St. Francois County, Missouri

SUBJECT: Addendum Number Two to
W. County School Sidewalk Improvements
Federal Project No. TAP-9900(095)
Cochran Project No. SC21-1419

This Addendum forms a part of the Bidding and Contract Documents and modifies the original Bidding Documents. **FAILURE TO ACKNOWLEDGE RECEIPT OF ADDENDUM MAY SUBJECT BIDDER TO DISQUALIFICATION.**

ITEM:

1. **CLARIFICATION:** Per the typical cross sections on sheet TXS-1, proposed roadway width is 11' from the existing centerline striping. In many instances, there is a gap between the new curb and gutter and the existing pavement. Therefore, all areas of curb and gutter installation along the roadway will require concrete infill with a 2" asphalt overlay as shown per the existing detail on sheet DE-22. The concrete infill and asphalt overlay shall be included in the price of the curb and gutter.

In lieu of the 2-inch asphalt patch for the infill, the contractor may, at their option, bring the concrete infill to the level of the pavement.

END ADDENDUM NO. 2
