

Rehabilitate Runway 8L/26R Pavement and Runway Edge Lighting -RFQ

Addendum 1

St. Louis County, Missouri is seeking qualified engineering firms to provide professional consulting services relating to the Rehabilitate Runway 8L/26R Pavement and runway edge lighting project at the Spirit of St. Louis Airport. The project envisioned includes but may not be limited to: Asphalt crack filling, paving fabric, thin asphalt overlay, minor grading, edge lighting circuit replacement and edge light adjustments to grade. The estimated construction cost is \$1,552,000.
