

TR202706 - Setting Work Zone Speed Limit Reductions in Missouri - Questions and Answers

Q1: Clarification on Data Ownership: We understand that MoDOT wants to have open-source data that can be used by MoDOT in the future and be able to update as well. Is the understanding that the research team will also be allowed to use the data in the future once the project is complete?

A1: The research team will not be allowed to use the data once the project is complete.

Q2: In the “Contracting Documents” item, what exactly is to be included as part of this section?

A2: If the firm has any edits to the Standard Research Agreement template (shown on the Research website), make sure to include them in the proposal. If the firm has no requested edits, then nothing needs to be done.
