

Clarification to RFP J0P2307B, MoDOT's Transportation Systems Management and Operations (TSMO) Program and Action Plan

On page one of the solicitation letter, in the second paragraph, it states to “[l]imit your letter of interest to no more than three to five pages.” and then further down in that same paragraph it states, “[i]n addition, please attach one page with detailed information on similar projects that your key personnel have worked on.” This page with detailed information on similar projects is in addition to the three to five pages previously mentioned, therefore the total page number could be up to six pages.
