Telespar Organizer

Description

The Telespar Organizer keeps inventory of telespar posts organized by separating the 2" posts from the 2-1/2" posts then organized by Telespar length.

Benefit

The organized inventory saves employees time and simplifies their work since it's easy to find the size and length of the post needed. It also saves money by cutting down the number of extra posts inventoried.

Materials and Labor

Material cost of \$2.68 and 1 hour of staff time with no reoccurring costs.
Materials list: 5/16" bolt, 9/16", 5/16" washer and yellow guardrail delineator.
