

U.S. Route 60 Intersection Improvements & Webster County Route C/K Interchange

Seymour, MO

PROJECT FACTS

- New interchange at U.S. Route 60 and Webster County Route C/K to improve safety and traffic flow
- Realign Route K to new interchange and connect Hutchens Industries drive to new interchange
- Construct Outer Roads for improved connectivity north of Route 60, from Enterprise Drive to Skyline Road
- U.S. Route 60 Intersection Improvements at West Clinton Avenue to include a J-turn access
- Remove 2 signalized intersections and crossovers: Route C/K and West Clinton Avenue
- Remove 2 unsignalized intersections and crossovers: Skyline Drive and Lynch Drive
- Estimated project cost: \$32.8 million

TRAFFIC IMPACTS

- Lane closures on Route 60 at times
- Narrowed lanes at times
- During higher traffic volume, drivers can expect occasional delays
- Crews and equipment close to traffic
- Temporary partial driveway and access disruptions
