

## U.S. ROUTE 65 PASSING LANE IMPROVEMENTS

### *Benton & Dallas Counties*

#### PROJECT FACTS

- Add alternating passing lanes between Warsaw and Buffalo
- Project will construct passing lane improvements at eight (8) locations along US 65 in Benton and Dallas Counties
- Adjusted passing lane locations to reduce driveway impacts and improve line of sight
- Added left-turn lane accommodations for Schoolhouse Avenue

#### TRAFFIC IMPACTS

- U.S. Route 65 will not be closed during construction
- Drivers can expect occasional lane closures, lane shifts and traffic delays
- Temporary Signals may be used to maintain traffic flow

#### ADDITIONAL INFO

- Work in Benton County
  - Roundabout at Route 7
- Work in Dallas County
  - Roundabout at Route 73
  - Roundabout at Truman Road

#### CONSTRUCTION

- Construction to begin in Spring 2027
- U.S. Route 65 Passing Lane Improvement Total Project Cost: \$38 million
