Intersection/access changes (listed north to south):

- A new driveway from U.S. Route 59 and access road will be built connecting the four businesses (Long John Silver's, McDonald's, Taco John's, and Sinclair Gas Station) located across from Route 752 (Alabama Street). This will remove the individual entrances.
- Lake Avenue will be right-turn in/right-turn out at Alabama Street.
- Removing the Alabama Street median cross over at Brown Street and Lake Avenue.
- Removing intersection of Route 59 and Lake Avenue (next to Subway).
- Route U intersection with Route 59 will be relocated approximately 500 feet to the south.
- Access to Route 59 from alleyway will be removed. Alleyway will be re-aligned to connect with Eureka Street.
- Access to Route 59 from Eureka Street will be removed.
- Realignment of West Valley Street intersection with Route 59.

Turn lanes (listed north to south):

- A turn lane will be added on Route 59 from just north of Kentucky Street to just south of Cliff Street.
 - Designated left-turn lane from northbound Route 59 to the new business access road.
 - Designated left-turn lane from southbound Route 59 to Alabama Street.
 - Designated left-turn lane from northbound Route 59 to Route U.
- A right-hand turn lane will be added from northbound Route 59 to Alabama Street.
- A right-turn lane will be added from southbound Route 59 traffic to Route U.
- An acceleration/right-turn lane will be added from Route U to southbound Route 59.

Sidewalks (listed north to south):

- Sidewalk will be added on the new business access road on the west side of U.S. Route 59.
- Sidewalks will be added/updated on the east side of Route 59 from Kentucky Street to Alabama Street.
- Sidewalks will be added on the east side of Route 59 from Alabama Street to West Valley Street.
- Sidewalks will be updated on Alabama Street.
- Sidewalks will be updated on West Valley Street from Route 59 to Eureka Street.

Additional information:

- Storm sewers will also be updated along Route 59 and Alabama Street.
- The two railroad crossing on Route U will be replaced.
