

Route 142 over the Eleven Point River near Billmore, Missouri

TIMELINE

Preliminary work for the Route 142 bridge replacement could begin as early as winter 2025. The closure is expected to begin in May 2026, once school is out of session. Completion is anticipated in late fall 2026.

TRAFFIC IMPACTS

The new bridge and roadway will be reconstructed on the existing alignment. Route 142 will be closed to traffic for approximately 5 months during construction. The Narrows entrance and the River Access entrance will be closed during a portion of construction.
