

- The Tax Return verification screen will display the amendments to the return as well as calculate the fees.
- The Return Details section displays the penalty due for the amendment, if applicable, the return amount, previously paid return interest and penalty, additional interest for the amendment, previous payments, and the total net due associated with the amendment.
- The amendment may result in additional fees or a refund to the customer. If the amount due is less than \$10 and more than \$0.00, the amount will be moved to IFTA System Credit as a negative balance.
- Review the results and continue processing the amended return as you would an original return.
