

Camden County,
U.S. Route 54
J-Turns and Guard Cable
Public Meeting
January 30, 2018

Welcome!

The purpose of today's meeting is to help you learn more about plans to discuss safety improvements along U.S. Route 54 in Camden County from Cecil Street in Camdenton to Route KK in Osage Beach.

The project will include the installation of median cable barrier along Route 54. The project will also include installing j-turns at several intersections to improve safety. Affected intersections Route A, Cape Wood, Spring Valley, Runabout and Key Largo. The work is currently scheduled to begin in fall 2018.

This is an open-house public meeting. MoDOT employees are here to help you and explain various aspects of the proposed project.

As you move through the displays, please share your questions and comments with us. Your input is very important.
