

St. Louis City Construction — 2025-2026

2025

1

Interstate 55 bridge and pavement improvements – This project replaces or rehabilitates the driving surfaces on several bridges along I-55 between I-44 and Lindbergh. This year, crews will work between River Des Peres and Loughborough on both the northbound and southbound lanes. Drivers can expect shifted traffic lanes between Weber and Loughborough as crews remove and replace the driving surface on several bridges along that corridor. Cyclists can also expect a full closure of the Carondelet Connector south of Loughborough for a period in the year. Crews will pave portions of the interstate and associated interchanges as bridge work is completed. The project continues through late 2025.

2

Interstate 55 sign updates – This project reviews and replaces overhead signs along I-55 between the Poplar Street Bridge and the Ste. Genevieve County line. Work continues through late 2026.

3

Interstate 64 pavement resurfacing – This project resurfaces Interstate 64 from Sarah Street to east of 22nd Street. The project starts in early 2025 and is complete later that year.

4

Interstate 270 bridge construction – Illinois Department of Transportation project. Constructs a new I-270 bridge across the Mississippi River north of city of St. Louis. Construction on the new bridge has begun, although initial traffic impacts should be minimal. Drivers can expect narrowed and shifted lanes within that section. In addition, drivers can expect work around the westbound I-270 interchange with Riverview Drive, including extended ramp and lane closures as crews tie the ramp in with the new bridge lanes.

5

Route 100 (Chouteau/Manchester) pavement improvements – This project resurfaces Route 100 between the St. Louis City limits and I-55. This work includes corridor safety improvements coordinated with the city of St. Louis. Work starts in mid-2025 and continues through 2026.

6

Route 367 (Riverview) pavement improvements – This project updates the driving surface on the route from the Halls Ferry Circle to I-70 and makes safety improvements coordinated with the city of St. Louis. Work continues through 2026.

7

Route H resurfacing – Replaces the driving surface along Route H (Hall St) between Adelaide and Riverview and makes safety improvements coordinated with the city of St. Louis. This project includes lane reductions along the corridor. Work continues through the end of 2025.

The following 2025 projects will continue construction in 2026:

5

6

2026

8

Interstate 64 sign updates – This project reviews and replaces overhead signs along Interstate 64 between the Poplar Street

Bridge and Interstate 70 in St. Charles County. Work continues through late 2027.

9

Interstate 64 bridge maintenance – This project replaces the eastbound bridge over Vandeventer Avenue and rehabilitates the westbound bridge over Vandeventer Avenue. Work begins in late 2026.

10

Route D (Page Boulevard/ Dr. MLK Drive) pavement improvements – This project updates Route D between Tucker Boulevard and the St. Louis County limits. It includes safety updates along the corridor, followed by resurfacing. Work starts in spring 2026 and continues through 2027.
