Project contact: Pete Berry (417-469-6242)

This project consists of grading, paving, resurfacing, and bridge construction from west of Route JJ in Ripley County to Route 67 in Butler County. This meeting is being held to discuss the construction of the geosynthetic reinforced soil/integrated bridge system and the alternate technical concept bridge option. The alternating passing lanes construction will also be discussed with prospective bidders.

Please review the plans and come prepared to comment. Attendance is not required but strongly recommended.
