Project contact: Mark Sommerhauser (816-607-2243)

The purpose of this meeting is to discuss the unique aspects of the design plans for J4I3005 and J4I3023, including resurfacing requirements, utilities, right of way, and construction phasing. These projects are located along I-35, with the construction limits of J4I3023 being from Vivion Road to I-435 while the limits of J4I3005 run from I-435 northwards to about 1 mile north of the Pleasant Valley Road interchange. Work on these two projects includes resurfacing, auxiliary lane widening, bridge replacements over Poe Street, bridge redecks over Shoal Creek, soundwalls, drainage, and a new complete interchange at Pleasant Valley Road/US 69.

Please review the plans and come prepared to comment. Attendance is not required but strongly recommended.
