Springfield District Office Downstairs Conference Room
Deadline for RSVP, January 3, 2014

We plan to host a meeting of asphalt contractors from around the state who may be interested in bidding projects in Southwest Missouri during the 2015 State Fiscal Year.

The agenda will include an overview of the Southwest District's asphalt program, a discussion of the upcoming projects, and to receive comments on the planned groupings and lettings of the asphalt projects that will be let next fall. Your input can help shape how we structure the project combinations.

This meeting is planned for January 17, 2014, from 10:00 a.m. to 12:00 p.m., in the Downstairs Conference Room at the Southwest District Office at 3025 E. Kearney Street in Springfield.

We encourage any contractors who plan to bid on our projects starting this fall to attend. We also encourage local aggregate suppliers to attend.

If you are interested in attending, please RSVP by January 3, 2014, to Shay Wehmer at shay.wehmer@modot.mo.gov or 417-895-7617. Please indicate in your email, phone call, or voice mail message how many plan to attend from your company. Seating is limited to 50 people. If attendance exceeds this number, we will change to a different location. Please provide the email address of the individual at your company that needs to be contacted in the event we need to change the location of the meeting or cancel and reschedule due to inclement weather. In case inclement weather is forecasted for the day of the meeting, we may reschedule the meeting for January 28, 2014, at the same time and place.

Sincerely,
