Project contact: Chris Knapp (573-248-2586)

This project consists of grading, drainage, pavement and bridge from 0.8 mile north of Route WW to 0.3 mile south of Route WW near New Florence, the total length of improvement being 1.08 miles.

An Informational Session is included to discuss the implementation and application of MoDOT's Construction Workforce Program. MoDOT will continue to implement this program by expanding the use of this Job Special Provision in upcoming projects. Contractors are encouraged to read the MoDOT's Construction Workforce Program provision prior to the Informational Session

Please review the plans and come prepared to comment. Attendance is not required but strongly recommended.
