RE: Meeting on January 25, 2016
1:30 p.m. to 3:30 p.m.
Springfield District Office Downstairs Conference Room
Deadline for RSVP, January 15, 2016

Due to a scheduling conflict, we have changed the date of the meeting to January 25, 2016. Please note the new dates shown below.

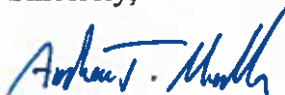

We plan to host a meeting of asphalt contractors from around the state who may be interested in bidding projects in Southwest Missouri during the 2017 State Fiscal Year.

The agenda will include a general discussion on several items including recent MoDOT staffing changes, guardrail, the EPA consent decree and how that impacts us, and our expectations regarding required work zone PPE. Following the general discussion, there will be a review of the groupings for the 2017 asphalt contracts. Your input can help shape how we structure the project combinations.

This meeting is planned for January 25, 2016, from 1:30 a.m. to 3:30 p.m., in the Downstairs Conference Room at the Southwest District Office at 3025 E. Kearney Street in Springfield. We encourage any contractors who plan to bid on our projects being let this fall to attend, as well as any local aggregate suppliers.

If you are interested in attending, please RSVP by January 15, 2016 to Jennifer Smith at Jennifer.smith@modot.mo.gov or 417-895-6720. Please indicate in your email, phone call, or voice mail message how many plan to attend from your company. Seating is limited to 50 people. If attendance exceeds this number, we will change to a different location. Please provide the email address of the individual at your company that needs to be contacted in the event we need to change the location of the meeting or cancel and reschedule due to inclement weather. In case inclement weather is forecasted for the day of the meeting, we may reschedule the meeting for January 26, 2016, at the same time and place.

Sincerely,

Andy Mueller, P.E.
Assistant District Engineer
