

SPECIAL NOTICE TO CONTRACTORS

Information Meeting – I-44 Meramec River Bridge

February 14, 2018

An information meeting has been scheduled to discuss upcoming MoDOT projects to replace the I-44 bridges over the Meramec River just west of I-270 in St. Louis County, and the east and westbound bridges to and from Rte. 366, Job Numbers J6I3029, J6S3140 & J6S3181. The primary intent of this meeting is to discuss the draft plans, job special provisions, traffic control, and bridge plans to receive contractor's feedback to improve the final contract for bidding and minimize the traffic impacts on I-44.

The Information meeting is scheduled for the following:

Date: February 28, 2018
Time: 9:00 a.m.
Location: MoDOT - St. Louis District Traffic Management Center, TMC
14301 South Outer 40 Road
Chesterfield, MO 63017
Conference Room 209

Preliminary plans and Job Special Provisions are now available at:
http://www.modot.org/business/contractor_resources/bid_opening_info/PreBidNotice.htm

Attendance is not required but strongly recommended.

If you have any questions or require additional information, please contact:
