QUESTION 1

I have a question about the maps 15 & 16 on about Contract G. According to the new maps it shows that MoDOT is not planning on mowing around the 141 / I-44 on & off ramp quadrants & outer road quadrants. Can you confirm that these areas are not part of the 2017 bid?

ANSWER

Yes, that is correct. The 44/141 interchange area including ramps and outer roads are currently under construction. Mowing these areas will be the responsibility of the 44/141 design build project. These areas have been excluded on MODOT's mowing contract G. However, there are revisions to Appendix A and Page 16 of the mowing map which has been uploaded to our website.
