DECK: Pressure wash deck surface especially where salt builds up & sits. Include shoulders, gutterline, deck/ barriar joints & splash zones.

DRAINS: Flush out all deck drains including curblines & drain basins.

JOINTS: Clean debris out of deck joints & flush throughout finger joints & troughes.

BEARINGS: Pressure Wash expansion areas including bearings, girder ends & lower chords

DEBRIS: Clean off any area that collects debris especially on caps, girders & around columns.
