	\$183.08		
	\$244.11		
	\$305.13		

NOTE: MoDOT is interested in potentially testing out some industry standard blades for the upcoming winter season. In addition to your pricing above for industry standard blades, please include product brochures and specifications for the blades being bid. MoDOT will review that information in its process of determining what blades may be tested.

Please note any changes necessary to the 'Description' in terms of the industry standard blade offered.
