

## SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

- Title:** SFS 7-160419RW  
**Falling Weight Deflectometer (FWD) Software Update and Calibration**
- Description:** The Missouri Department of Transportation, Construction Materials Division, has determined that only one source, Dynatest Group, Starke, FL, can provide the on-site services for the Falling Weight Deflectometer (FWD) at our MoDOT location in Jefferson City, MO. The equipment is very specialized and the operating software is proprietary. A software update is required and must be done before the calibration. Calibration of the FWD will take place after the software update and must be completed by the end of May 2016, in order to be in compliance.
