The following questions were asked and the responses may contain information that may be of interest to all bidders.

- 2.3.1 e: Approximately how many personnel from MODOT will be utilizing the toll-free calling services?
The toll-free number will be shared with all MoDOT users who have access to the website. However, the number of employees utilizing the number is expected to be less than 100.
- 2.3.1 g: How many users will require access to the Website?
The last year of the previous contract included roughly 900 users with access to the website.

Our mission is to provide a world-class transportation experience that delights our customers and promotes a prosperous Missouri.

www.modot.org

3. 2.3.1.h: This section mentions “pavement and bridge temperatures”. How are MoDOT RWIS observations available to ingest? Is the network available via MADIS?

MoDOT is currently working with the NOAA to make our RWIS data available through MADIS. At the time of this response the data is not yet available.

4. 2.3.1 i: How many users will require access via SmartPhone or SmartPhone Application?

Instructions for accessing the data through a smartphone or smartphone application will be shared with all users who have access to the website. It cannot be estimated how many will choose to use this option or application.

5. 2.3.1.1: Do “all costs” include internet access to the vendor’s Internet web page mentioned in 2.3.1.g? Or does MoDOT have its own internet access?

MoDOT will provide internet access to the users
