Below is additional clarification to response for item #6 from Addendum 001.

Question #6:

Will you have current RWIS data available to the winning vendor this winter season?

Answer: It is unknown at this time if the RWIS data will be available.

Additional Clarification:

It is our intent to share our RWIS data through the National Oceanic and Atmospheric Administration's (NOAA) Meteorological Assimilation Data Ingest System (MADIS). We have been working closely with the NOAA but as yet have been unable to access our data through MADIS.
