Please replace section 3.2 with the section below.

3.2 Contract Award and Use of Contracted Services:

- 3.2.1 Contract awards shall be based on the bidder meeting the minimum requirements published in this document. However, the right is reserved to reject any and all pricing submittals or award the contracts based on the best interest of MoDOT.
- 3.2.2 MoDOT does not guarantee that a contract award will result in MoDOT using the services provided under contract.
- 3.2.3 Use of bidder services will be determined by the geographical proximity of the participants home or office address to the bidder's business location, as follows:
- The bidder with a business site closest to the participants' home or office address will receive the purchase order to provide the contracted services. If the bidder cannot

provide the listed services within the time period specified by the MHTC, the bidder with the next closest geographic proximity to the participants' home address will receive the purchase order. This selection process will continue until an available service provider under contract is located.

- b. In the event there are two (2) or more bidders within the same distance from the applicant's home or office address, using direct line on map then the decision on which bidder will be chosen to provide the contracted services shall reside with MoDOT's program designee.

3.2.4 MoDOT reserves the right to reissue this document at any time throughout the contract period in order to obtain the services of additional chainsaw safety training providers located throughout the State of Missouri.
