This Addendum has been issued to also allow boring to be used in providing the requested services in this Request for Bid (RFB).

Replace Section 3 Part F – Equipment Hourly Rate Explanation

1. Equipment Hourly Rate – Bidders must state their firm fixed hourly rates for contractor provided trenching equipment **and/or boring equipment** to be used in the outside fiber network installation hour to be rendered to the Commission hereunder on Pricing Sheet under appropriate columns. Hourly rate shall include equipment and fuel as well as any and all other operating expense and will be billable for the hours that the equipment is in operation. Equipment Hourly Rate shall not include operating engineer's payroll.

2. Equipment, 1st Hour – The amount that may be charged, in addition to, mobilization charge when the requested work requires the use of trenching equipment ***and/or boring equipment.***
3. Equipment, Add Hours – The amount that may be charged, in addition to, mobilization charge when the requested work requires the use of trenching equipment ***and/or boring equipment.***

Replace Section 3 Part G – Contract Award

- G. Contract Award: Award shall be made using the “lowest and best” principle of award for services using trenching equipment. A separate award shall be made using the “lowest and best” principle of award for services using boring equipment.
1. MoDOT will utilize the awarded contractor based on the type of services needed for specific project(s). The contractors shall understand and agree that the contractor selection shall be made by MoDOT and that such selection shall be final and without recourse.

Replace Section 3 Part H – Cost Evaluation

- H. Cost Evaluation – Cost evaluation will be based upon: 1) prevailing wage percentage for project services, 2) materials and supplies mark-up percentage 3) trenching equipment rates and 4) mobilization. Points will be awarded based upon 40% weight given to the percentage of prevailing wage for project services, 10% weight given to the materials and supplies mark-up percentage, 15% weight given to the trenching equipment rate 1st hour, 10% weight given to the trenching equipment add hours, and 25% weight given to mobilization rate.

Vendor points are calculated using the following formula in each of the three categories:
Number of points possible X (lowest bid/applicable vendors bid).

The above evaluation will also be used for services using boring equipment.

Replace the Pricing Sheets with the attached. Updated Pricing Pages also attached to posting in excel format.
