The Series 2010 Bonds shall be executed in the manner set forth in the Master Bond Indenture and delivered to the Bond Trustee for authentication, but prior to or simultaneously with the authentication and delivery of the Series 2010 Bonds by the Bond Trustee the following documents shall be filed with the Bond Trustee:

- (a) A copy, certified by the secretary of the Commission, or the delegate of the secretary, of the resolution adopted by the Commission authorizing the issuance and sale of the Series 2010 Bonds and the execution of this Supplemental Indenture No. 3, the Continuing Disclosure Agreement and the Tax Compliance Agreements.
- (b) An original executed counterpart of this Supplemental Indenture No. 3, the Tax Compliance Agreements and the Continuing Disclosure Agreement.

- (c) An Officer's Certificate (1) stating that no event of default under the Master Bond Indenture has occurred and is continuing and that no event has occurred and is continuing which with the lapse of time or giving of notice, or both, would constitute such an event of default, and (2) stating the purpose or purposes for which the Series 2010 Bonds are being issued.

- (e) An Opinion of Co-Bond Counsel, dated the date of original issuance of the Series 2010 Bonds to the effect that the Commission has the legal power and authority to adopt this Supplemental Indenture No. 3 and to issue the Series 2010 Bonds authorized under this Supplemental Indenture No. 3, all requirements of the State Highway Act and the Master Bond Indenture for the issuance of such Bonds have been met, such Bonds have been duly and validly issued and the issuance of such Bonds will not result in the interest on any tax-exempt Bonds then Outstanding becoming subject to federal income taxes then in effect.
- (f) Such other opinions, certificates, statements, receipts and documents as the Bond Trustee shall reasonably require for the delivery of the series of Bonds.

When the documents specified above have been filed with the Bond Trustee, and when the Series 2010 Bonds have been executed and authenticated as required by the Master Bond Indenture, the Bond Trustee shall deliver the Series 2010 Bonds to or upon the order of the Original Purchaser, but only upon payment to the Bond Trustee of the purchase price of the Series 2010 Bonds. The proceeds of the sale of the Series 2010 Bonds shall be administered and expended as provided in **Article IV** of the Master Bond Indenture and in **Article IV** hereof.

Section 203. Book-Entry Bonds; Securities Depository. The Series 2010 Bonds shall initially be registered to Cede & Co., the nominee for The Depository Trust Company, New York, New York (the "**Securities Depository**"), and no beneficial owner will receive certificates representing their respective interests in the Series 2010 Bonds, except in the event the Bond Trustee issues replacement bonds ("**Replacement Bonds**") as provided in this Section. It is anticipated that during the term of the Series 2010 Bonds, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, premium, if any, and interest on, the Series 2010 Bonds to the Participants until and unless the Bond Trustee authenticates and delivers Replacement Bonds to the beneficial owners as described in the following paragraph.

(1) If the Commission determines (A) that the Securities Depository is unable to properly discharge its responsibilities, or (B) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities Exchange Act of 1934, as amended, or (C) that the continuation of a book-entry system to the exclusion of any Series 2010 Bonds being issued to any bondowner other than Cede & Co. is no longer in the best interests of the beneficial owners of the Series 2010 Bonds, or (2) if the Bond Trustee receives written notice from Participants representing interests in not less than **50%** of the Series 2010 Bonds Outstanding, as shown on the

records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Series 2010 Bonds being issued to any bondowner other than Cede & Co. is no longer in the best interests of the beneficial owners of the Series 2010 Bonds, then the Bond Trustee shall notify the bondowners of such determination or such notice and of the availability of certificates to owners requesting the same, and the Bond Trustee shall register in the name of and authenticate and deliver Replacement Bonds to the beneficial owners or their nominees in principal amounts representing the interest of each; provided, that in the case of a determination under (1)(A) or (1)(B) of this paragraph, the Commission, with the consent of the Bond Trustee, may select a successor securities depository in accordance with the following paragraph to effect book-entry transfers. In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository or its agent is the registered owner of at least one Series 2010 Bond. Upon the issuance of Replacement Bonds, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be performed by the Bond Trustee, to the extent applicable with respect to such Replacement Bonds. If the Securities Depository resigns and the Commission, the Bond Trustee or bondowners are unable to locate a qualified successor of the Securities Depository in accordance with the following paragraph, then the Bond Trustee shall authenticate and cause delivery of Replacement Bonds to bondowners, as provided herein. The Bond Trustee may rely on information from the Securities Depository and its Participants as to the names and addresses of, and principal amounts owned by, the beneficial owners of the Series 2010 Bonds. The cost of printing, registration, authentication, and delivery of Replacement Bonds shall be paid for by the Commission.

In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities Exchange Act of 1934, as amended, the Commission may appoint a successor Securities Depository provided the Bond Trustee receives written evidence satisfactory to the Bond Trustee with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Bond Trustee upon its receipt of a Series 2010 Bond or Series 2010 Bonds for cancellation shall cause the delivery of Series 2010 Bonds to the successor Securities Depository in appropriate denominations and form as provided herein.

ARTICLE III

REDEMPTION OF SERIES 2010 BONDS

Section 301. Redemption of Bonds Generally. The Series 2010 Bonds are subject to redemption prior to maturity in accordance with their terms and the terms and provisions set forth in this Article, subject to and in accordance with the applicable terms and provisions contained in **Article III** of the Master Bond Indenture.

Section 302. Redemption of Series 2010 Bonds.

Optional Redemption of the Series A 2010 Bonds. The Series A 2010 Bonds are subject to redemption and payment prior to maturity, at the option of the Commission, on and after May 1, 2020, in whole or in part at any time, at the redemption price of 100% of the principal amount thereof, plus accrued interest thereon to the redemption date.

Optional Redemption of the Series B 2010 Bonds. The Series B 2010 Bonds are subject to

redemption prior to maturity by written direction of the Commission, in whole or in part, and if in part in authorized denominations, at a redemption price equal to the Make-Whole Redemption Price. The **“Make-Whole Redemption Price”** is the greater of (i) 100% of the principal amount of the Series B 2010 Bonds to be redeemed or (ii) the sum of the present value of the remaining scheduled payments of principal and interest to the maturity date of the Series B 2010 Bonds to be redeemed, not including any portion of those payments of interest accrued and unpaid as of the date on which the Series B 2010 Bonds are to be redeemed, discounted to the date on which the Series B 2010 Bonds are to be redeemed on a semi-annual basis, assuming a 360-day year consisting of twelve 30-day months, at the Treasury Rate (as defined below) plus 25 basis points, plus, in each case, accrued and unpaid interest on the Series B 2010 Bonds to be redeemed on the redemption date. The **“Treasury Rate”** is, as of any redemption date, the yield to maturity as of such redemption date of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15 (519) that has become publicly available at least two Business Days prior to the redemption date (excluding inflation indexed securities) (or, if such statistical release is no longer published, any publicly available source of similar market data)) most nearly equal to the period from the redemption date to the maturity date of the Series B 2010 Bonds to be redeemed; provided, however, that if the period from the redemption date to such maturity date is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used.

The redemption price will be determined by an independent accounting firm, investment banking firm or financial advisor retained by the Commission at the Commission’s expense to calculate such redemption price (the **“Calculation Agent”**). The determination by the Calculation Agent of the redemption price shall be conclusive and binding on the Trustee, the Commission and the owners of the Series B 2010 Bonds.

Extraordinary Optional Redemption of Series B 2010 Bonds. The Series B 2010 Bonds are subject to redemption prior to maturity at the option of the Commission, in whole or in part upon the occurrence of an Extraordinary Event, at a redemption price (the **“Extraordinary Redemption Price”**) equal to the greater of:

- (i) 100% of the principal amount of the Series B 2010 Bonds to be redeemed; or
- (ii) the sum of the present value of the remaining scheduled payments of principal and interest to the maturity date of such Series B 2010 Bonds to be redeemed, not including any portion of those payments of interest accrued and unpaid as of the date on which such Series B 2010 Bonds are to be redeemed, discounted to the date on which such Series B 2010 Bonds are to be redeemed on a semi-annual basis, assuming a 360-day year consisting of twelve 30-day months, at the Treasury Rate (described above) plus 100 basis points;

plus, in each case, accrued interest on such Series B 2010 Bonds to be redeemed to the redemption date.

Section 303. Notice of Redemption. Unless waived by any owner of Series 2010 Bonds to be redeemed or provided otherwise in this Supplemental Indenture No. 3, official notice of any such redemption shall be given by the Bond Trustee on behalf of the Commission by first class mail or prepaid overnight delivery service, at least **30** days prior to the redemption date to each registered owner of the Series 2010 Bonds to be redeemed at the address shown on the bond register.

All official notices of redemption shall be dated and shall state: (a) the redemption date; (b) the redemption price; (c) the principal amount (and, in the case of partial redemption, the respective principal

amounts, identification numbers and maturity dates) of the Series 2010 Bonds to be redeemed; (d) that on the redemption date the redemption price will become due and payable upon each such Series 2010 Bonds or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date; and (e) the place where the Series 2010 Bonds to be redeemed are to be surrendered for payment of the redemption price, which place of payment shall be the principal corporate trust office or designated payment office of the Bond Trustee.

The failure of any owner of Series 2010 Bonds to receive notice given as provided in this Section, or any defect therein, shall not affect the validity of any proceedings for the redemption of any Series 2010 Bonds. Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given and shall become effective upon mailing, whether or not any owner receives such notice.

In addition to the foregoing notice, further notice shall be given by the Bond Trustee by first class mail, overnight delivery service or facsimile to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Series 2010 Bonds and by facsimile to one or more national information services that disseminate notices of redemption of obligations such as the Series 2010 Bonds. Each further notice of redemption given shall contain the information required above for an official notice of redemption plus (i) the CUSIP numbers of all Series 2010 Bonds being redeemed; (ii) the date of issue of the Series 2010 Bonds as originally issued; (iii) the rate of interest borne by each Series 2010 Bond being redeemed; (iv) the maturity date of each Series 2010 Bond being redeemed; and (v) any other descriptive information needed to identify accurately the Series 2010 Bonds being redeemed. No defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given to the registered owners of the Series 2010 Bonds as above prescribed.

So long as a Securities Depository is effecting book-entry transfers of Series 2010 Bonds, the Bond Trustee shall provide the notices specified in this Section only to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the beneficial owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a beneficial owner of a Series 2010 Bond to notify the beneficial owner of the Series 2010 Bonds so affected, shall not affect the validity of the redemption of such Series 2010 Bonds.

Section 304. Selection by Bond Trustee of Bonds to be Redeemed. Bonds may be redeemed only in the principal amount of **\$5,000** or any integral multiple thereof. If less than all Bonds are to be redeemed and paid prior to maturity, such Bonds shall be redeemed from the maturity or maturities selected by the Commission. If less than all Bonds of any maturity are to be redeemed, the particular Bonds to be redeemed shall be selected by the Bond Trustee from the Bonds of such maturity which have not previously been called for redemption in such manner as determined by the Bond Trustee and which may provide for the selection for redemption of portions equal to **\$5,000** of the principal of Bonds of a denomination larger than **\$5,000**.

ARTICLE IV

DEPOSIT AND APPLICATION OF BOND PROCEEDS, PAYMENT OF BONDS

Section 401. Disposition of Bond Proceeds. The proceeds received from the sale of the Series 2010 Bonds, including premium, shall be deposited as follows:

- (a) \$160,551.86 from the proceeds of the Series A 2010 Bonds and \$69,938.14 from the proceeds of the Series B 2010 Bonds shall be deposited into the Costs of Issuance Fund to be disbursed as provided in **Section 403** hereof. The Bond Trustee will establish with respect to each series of the Series 2010 Bonds separate funds or accounts within such Fund or otherwise segregate moneys within such Fund on a book-entry basis or in such other manner as the Bond Trustee may deem necessary or convenient to account for expenditures of the proceeds of each series of the Series 2010 Bonds;
- (b) the remaining proceeds of the Series 2010 Bonds shall be deposited into the State Treasury for deposit and credit to the Series 2010 Fund in the State Road Fund to be held as part of the Trust Estate and shall be administered and expended for the payment of Project Costs in accordance with the provisions of **Section 401** of the Master Bond Indenture. The State Treasurer will establish with respect to each series of the Series 2010 Bonds separate funds or accounts within such Fund or otherwise segregate moneys within such Fund on a book-entry basis or in such other manner as the State Treasurer may deem necessary or convenient to account for expenditures of the proceeds of each series of the Series 2010 Bonds.

Section 402. Payment of Bonds. The principal of, premium, if any, and interest on the Series 2010 Bonds shall be paid by the Bond Trustee out of moneys paid to the Bond Trustee as provided in the Master Bond Indenture.

Section 403. Costs of Issuance Fund. The Bond Trustee shall pay out of the Costs of Issuance Fund upon written disbursement requests of the Commission, in substantially the form of **Exhibit B** hereto, signed by the Commission Representative, amounts equal to the amount of costs related to the issuance of the Series 2010 Bonds certified in such written requests to be paid or reimbursed. At such time as the Bond Trustee is furnished with an Officer's Certificate stating that all costs related to the issuance of the Series 2010 Bonds have been paid, and in any case not later than 6 months from the date of original issuance of the Series 2010 Bonds, the Bond Trustee shall transfer any moneys remaining in the Costs of Issuance Fund to the State Treasury for deposit and credit to the Series 2010 Fund in the State Road Fund to be held as part of the Trust Estate and shall be administered and expended for the payment of Project Costs as provided in **Section 401(c)** herein.

ARTICLE V

GENERAL COVENANTS AND PROVISIONS

Section 501. Authority to Issue Bonds and Execute Supplemental Bond Indentures. The Commission covenants that it is duly authorized under the Constitution and laws of the State of Missouri to execute this Supplemental Indenture No. 3, to issue the Series 2010 Bonds and to pledge and assign the Trust Estate in the manner and to the extent set forth in the Master Bond Indenture and this Supplemental

Supplemental Indenture No. 3; that all action on its part for the execution and delivery of this Supplemental Indenture No. 3 and the issuance of the Series 2010 Bonds has been duly and effectively taken; and that the Bonds in the hands of the owners thereof are and will be valid and enforceable obligations of the Commission according to the import thereof, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights to the extent applicable and their enforcement may be subject to the exercise of judicial discretion in appropriate cases.

Section 502. Payment of Series 2010 Bonds. The Commission shall duly and punctually pay or cause to be paid, but solely from the sources specified in the Master Bond Indenture, the principal of, redemption premium, if any, and interest on the Series 2010 Bonds in accordance with the terms of the Series 2010 Bonds, the Master Bond Indenture and this Supplemental Indenture No. 3. Series 2010 Bonds shall be State Road Bonds as such term is used in Section 30(b) of Article IV of the Missouri Constitution, and as such, payments on such Series 2010 Bonds shall be made from the Pledged Revenues as provided in Section 30(b) of Article IV of the Missouri Constitution and the Master Bond Indenture, but the Series 2010 Bonds shall be payable from the Federal Highway Reimbursement Revenues as a first lien and from State Road Fund Revenues and State Road Bond Fund Revenues subordinate to the Series 2000 Master Indenture Bonds and the Series 2005 Master Indenture Bonds.

The Commission transfers in trust, pledges and assigns to the Bond Trustee, and grants a security interest to the Bond Trustee in, the Interest Subsidy Payments received by or on behalf of the Commission related to the Series B 2010 Bonds. The Interest Subsidy Payments constitute a part of the Trust Estate and are assigned and pledged as Additional Transportation Revenues and part of the Pledged Revenues as first lien security for the Series B 2010 Bonds. The Commission will file appropriate instructions with the U.S. Treasury (pursuant to Form 8038-CP or as otherwise provided by law) to provide for the payment of the Interest Subsidy Payments directly to the Bond Trustee and directs that such moneys will be deposited into the Bond Fund and used for payment of the Series B 2010 Bonds.

Series 2010 Bonds shall not be deemed to constitute a debt or liability of the State of Missouri or a pledge of the full faith and credit of the State of Missouri, and the payments on such Series 2010 Bonds shall be payable solely from Pledged Revenues, and are secured by a transfer, pledge and assignment of and a grant of a security interest in the Trust Estate to the Bond Trustee and in favor of the owners of the Series 2010 Bonds, as provided in the Master Bond Indenture. Nothing in the Series 2010 Bonds, in the Master Bond Indenture or this Supplemental Indenture No. 3 shall be construed as obligating the State of Missouri to pay or redeem any of the Series 2010 Bonds from, and the owners thereof may not look to, any general or other fund of the State of Missouri or of MoDOT, except as specifically provided in the Master Bond Indenture. The Commission shall duly and punctually pay or cause to be paid, but solely from the Pledged Revenues and other sources specified in the Master Bond Indenture, the principal of, redemption premium, if any, and interest on the Series 2010 Bonds in accordance with the terms of the Series 2010 Bonds, the Master Bond Indenture and this Supplemental Indenture No. 3 on a parity with all other Bonds, on the dates, in the amounts and otherwise as set out in the Master Bond Indenture; provided, however, that after each interest payment date the amounts remaining in the Bond Fund in excess of the Debt Service Requirements of the Bonds due on such interest payment date shall be released from the pledge and security interest granted by the Indenture and the Bond Trustee shall pay such amounts to the Commission. Any such moneys released to the Commission representing Interest Subsidy Payments shall be offset or credited by the Commission for the amounts of interest paid on the Series B 2010 Bonds as contemplated by the Indenture and Internal Revenue Code §§ 54AA(g) and 6431.

Section 503. Continuing Disclosure. Under the Continuing Disclosure Agreement, the Commission has undertaken all responsibility for compliance with continuing disclosure requirements

with respect to S.E.C. Rule 15c2-12. The Commission hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Agreement. Notwithstanding any other provision of the Master Bond Indenture, failure of the Commission or the Dissemination Agent to comply with the Continuing Disclosure Agreement shall not be considered an event of default under the Master Bond Indenture, and the sole remedy in the event of such failure shall be such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the Commission to comply with its obligations under the Continuing Disclosure Agreement.

Section 504. Tax Covenants. The Commission covenants and agrees that it will not take any action or permit any action to be taken that would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Series A 2010 Bonds and will take whatever action, or refrain from whatever action, necessary to comply with the requirements of the Internal Revenue Code to maintain the exclusion from gross income for federal income tax purposes of the interest on the Series A 2010 Bonds, including the following:

- (a) The Commission covenants that (1) it will comply with all applicable provisions of the Internal Revenue Code, including Sections 103 and 141 through 150, necessary to maintain the exclusion of the interest on the Series A 2010 Bonds from gross income for federal income tax purposes, and (2) it will not use or permit the use of any proceeds of Series A 2010 Bonds or facilities financed with such proceeds, nor take or permit any other action, or fail to take any action, which would adversely affect the exclusion of the interest on the Series A 2010 Bonds from gross income for federal income tax purposes. The Commission will also adopt such other resolutions and take such other actions as may be necessary to comply with the Internal Revenue Code and with other applicable future law, in order to ensure that the interest on the Series A 2010 Bonds will remain excluded from gross income for federal income tax purposes, to the extent any such actions can be taken by the Commission.
- (b) The Commission covenants that (1) it will use the proceeds of the Series A 2010 Bonds as soon as practicable for the purposes for which the Series A 2010 Bonds are issued, and (2) it will not invest or directly or indirectly use or permit the use of any proceeds of the Series A 2010 Bonds or any other funds of the Commission in any manner, or take or omit to take any action, that would cause the Series A 2010 Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Internal Revenue Code.
- (c) The Commission covenants that it will pay or provide for the payment from time to time of all arbitrage rebate amounts to the United States pursuant to Section 148(f) of the Internal Revenue Code and the Tax Compliance Agreement. This covenant shall survive payment in full or defeasance of the Series A 2010 Bonds. The Tax Compliance Agreement may be amended or replaced if, in the Opinion of Bond Counsel, such amendment or replacement will not adversely affect the exclusion from federal gross income of the interest on the Series A 2010 Bonds.
- (d) The Commission covenants that it will not use any portion of the proceeds of the Series A 2010 Bonds, including any investment income earned on such proceeds, directly or indirectly, (1) in a manner that would cause any Bond to be a “private activity bond” within the meaning of Section 141(a) of the Internal Revenue Code, or (2) to make or finance a loan to any Person.

- (e) The Commission covenants and agrees that moneys at any time on deposit in the funds and accounts under the Master Bond Indenture shall be invested or reinvested by the Bond Trustee at the direction of the Commission in Investment Securities in the manner and to the extent therein provided. The Commission covenants and agrees that it will not take any action, fail to take any action, or permit any action to be taken, including without limitation any action with respect to the investment of the proceeds of any Series A 2010 Bonds issued under the Master Bond Indenture or any other moneys or securities deposited with the Bond Trustee pursuant thereto or with respect to the payments derived under the Master Bond Indenture or with respect to the purchase of other Commission obligations, which would cause the Series A 2010 Bonds to become “arbitrage bonds” within the meaning of Section 148 or corresponding provisions of the Internal Revenue Code.
- (f) The Commission shall comply with the Tax Compliance Agreement and will pay or provide for payment to the United States Government, all rebate payments required under Section 148(f) of the Internal Revenue Code and the Tax Compliance Agreement. This covenant shall survive payment in full or defeasance of the Series A 2010 Bonds. The Tax Compliance Agreement may be amended or replaced if, in the opinion of Bond Counsel, such amendment or replacement will not adversely affect the exclusion from federal gross income of the interest on the Series A 2010 Bonds.
- (g) The Commission shall file all appropriate returns, reports and attachments to income tax returns required by the provisions of the Internal Revenue Code, including without limitation the Information Return for Governmental Bond Issues (Form 8038) required under the Internal Revenue Code.

The Commission irrevocably elects: (1) under Internal Revenue Code § 54AA(d) to treat the Series B 2010 Bonds as “Build America Bonds”; and (2) under Internal Revenue Code § 54AA(g)(2) to treat the Series B 2010 Bonds as “qualified bonds,” eligible for Interest Subsidy Payments. The Commission: (1) will take whatever action, and refrain from whatever action, necessary to comply with the applicable requirements of the Internal Revenue Code related to Build America Bonds, including any limitations applicable to tax-exempt bonds that apply to Build America Bonds; (2) will not use or invest, or permit the use or investment of, any money on deposit in any fund or account maintained in connection with the Series B 2010 Bonds, whether or not that money was derived from the proceeds of the sale of the Series B 2010 Bonds or from any other source, in a manner that would violate applicable provisions of the Internal Revenue Code related to Build America Bonds; and (3) will not use, or permit the use of, any portion of the Financed Facility in a manner that would cause the Series B 2010 Bonds to become “private activity bonds” as defined in Internal Revenue Code § 141.

The Bond Trustee agrees to comply with the provisions of the Tax Compliance Agreement, and upon receipt of the Tax Compliance Agreement and any other written letter or Opinion of Bond Counsel which sets forth such requirements, to comply with any statute, regulation or ruling that may apply to it as Bond Trustee hereunder and relating to reporting requirements or other requirements necessary to preserve the exclusion from federal gross income of the interest on the Series A 2010 Bonds. The Bond Trustee from time to time may cause a firm of attorneys, consultants or independent accountants or an investment banking firm to supply the Bond Trustee, on behalf of the Commission, with such information as the Bond Trustee, on behalf of the Commission, may request in order to determine in a manner reasonably satisfactory to the Bond Trustee, on behalf of the Commission, all matters relating to: (a) the actuarial yield on the Series A 2010 Bonds as the same may relate to any data or conclusions necessary to verify that the Series A 2010 Bonds are not “arbitrage bonds” within the meaning of Section 148 of the

Internal Revenue Code; and (b) if applicable, compliance with rebate requirements of Section 148(f) of the Internal Revenue Code. Costs and expenses incurred in connection with supplying the foregoing information shall be paid by the Commission.

Notwithstanding any provision of the Master Bond Indenture or the Tax Compliance Agreements to the contrary, the Trustee shall not be liable or responsible for any calculation or determination which may be required in connection with, or for the purpose of complying with, § 148 of the Code, or any successor statute or any regulation, ruling or other judicial or administrative interpretation thereof, including, without limitation, the calculation of amounts required to be paid to the United States of America or the determination of the maximum amount which may be invested in non-purpose obligations having a yield higher than the yield on the Series 2010 Bonds, and the Trustee shall not be liable or responsible for monitoring the compliance by the Commission with any of the requirements of § 148 of the Code or any applicable regulation, ruling or other judicial or administrative interpretation thereof; it being acknowledged and agreed that the sole obligation of the Trustee with respect to the investment of monies held under any fund or account created under the Master Bond Indenture shall be to invest such monies in accordance with instructions received by it as set forth in the Master Bond Indenture.

The Commission may cease to comply with any requirement set forth in this Section, provided it provides the Bond Trustee with an Opinion of Bond Counsel addressed to the Bond Trustee that the Commission's failure to comply with such requirement will not adversely affect the exclusion of interest on the Series A 2010 Bonds from gross income for federal income tax purposes.

assigns, the principal amount stated above on the maturity date stated above, and in like manner to pay interest on said principal amount at the interest rate per annum stated above (computed on the basis of a 360-day year of twelve 30-day months) from the Date of Bonds stated above or from the most recent interest payment date to which interest has been paid or duly provided for, payable semiannually on May 1 and November 1 in each year beginning November 1, 2010, until said principal amount is paid.

Method and Place of Payment. The principal of and interest on this Bond shall be payable in any coin or currency of the United States of America which on the respective dates of payment thereof is legal tender for the payment of public and private debts. The principal of this Bond shall be payable by check or draft to the registered owner at the maturity upon presentation and surrender of this Bond at the corporate trust office or other designated payment office of **THE BANK OF NEW YORK MELLON TRUST COMPANY, N.A.**, St. Louis, Missouri (the "Bond Trustee"). Any such written notice for electronic transfer shall be signed by such owner and shall include the name of the bank, its address, its ABA routing number and the name, number and contact name related to such owner's account at such bank to which the payment is to be credited.

Authorization of Bonds. This Bond is one of a duly authorized series of bonds of the Commission designated "**Missouri Highways and Transportation Commission, Federal Reimbursement State Road Bonds, Series 2010**," in the aggregate principal amount of **\$185,000,000** (the "Series 2010 Bonds"), issued pursuant to the authority of and in full compliance with the Constitution and statutes of the State of Missouri and pursuant to proceedings duly had by the Commission. The Series 2010 Bonds are issued under and are equally and ratably secured and entitled to the protection given by a Master Bond Indenture, dated as of December 1, 2008 (said Master Bond Indenture, as amended and supplemented from time to time in accordance with the provisions thereof, including Supplemental Bond Trust Indenture No. 3, herein collectively called the "Master Bond Indenture"), between the Commission and the Bond Trustee, to provide funds for the purposes described in the Master Bond Indenture. Under the Master Bond Indenture, the Commission has pledged and assigned certain of its rights to the Bond Trustee as security for the Bonds. Subject to the terms and conditions set forth therein, the Master Bond Indenture permits the Commission to issue additional series of Bonds secured by the Master Bond Indenture on parity with the Series 2010 Bonds (the Series 2010 Bonds together with such additional Bonds herein collectively referred to as the "Bonds"). Reference is hereby made to the Master Bond Indenture, which may be inspected at the corporate trust office of the Bond Trustee, for a description of the property pledged and assigned thereunder, and the provisions, among others, with respect to the nature and extent of the security for the Bonds, and the rights, duties and obligations of the Commission, the Bond Trustee and the registered owners of the Bonds, and a description of the terms upon which the Bonds are issued and secured, upon which provision for payment of the Bonds or portions thereof and defeasance of the lien of the Master Bond Indenture with respect

thereto may be made and upon which the Master Bond Indenture may be deemed satisfied and discharged prior to payment of the Bonds.

Optional Redemption of the Series A 2010 Bonds. The Series A 2010 Bonds are subject to redemption and payment prior to maturity, at the option of the Commission, on and after May 1, 2020, in whole or in part at any time, at the redemption price of 100% of the principal amount thereof, plus accrued interest thereon to the redemption date.

Optional Redemption of the Series B 2010 Bonds. The Series B 2010 Bonds are subject to redemption prior to maturity by written direction of the Commission, in whole or in part, and if in part in authorized denominations, at a redemption price equal to the Make-Whole Redemption Price. The **“Make-Whole Redemption Price”** is the greater of (i) 100% of the principal amount of the Series B 2010 Bonds to be redeemed or (ii) the sum of the present value of the remaining scheduled payments of principal and interest to the maturity date of the Series B 2010 Bonds to be redeemed, not including any portion of those payments of interest accrued and unpaid as of the date on which the Series B 2010 Bonds are to be redeemed, discounted to the date on which the Series B 2010 Bonds are to be redeemed on a semi-annual basis, assuming a 360-day year consisting of twelve 30-day months, at the Treasury Rate (as defined below) plus 25 basis points, plus, in each case, accrued and unpaid interest on the Series B 2010 Bonds to be redeemed on the redemption date. The **“Treasury Rate”** is, as of any redemption date, the yield to maturity as of such redemption date of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15 (519) that has become publicly available at least two Business Days prior to the redemption date (excluding inflation indexed securities) (or, if such statistical release is no longer published, any publicly available source of similar market data)) most nearly equal to the period from the redemption date to the maturity date of the Series B 2010 Bonds to be redeemed; provided, however, that if the period from the redemption date to such maturity date is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used.

The redemption price will be determined by an independent accounting firm, investment banking firm or financial advisor retained by the Commission at the Commission’s expense to calculate such redemption price (the **“Calculation Agent”**). The determination by the Calculation Agent of the redemption price shall be conclusive and binding on the Trustee, the Commission and the owners of the Series B 2010 Bonds.

Extraordinary Optional Redemption of Series B 2010 Bonds. The Series B 2010 Bonds are subject to redemption prior to maturity at the option of the Commission, in whole or in part upon the occurrence of an Extraordinary Event, at a redemption price (the **“Extraordinary Redemption Price”**) equal to the greater of:

- (i) 100% of the principal amount of the Series B 2010 Bonds to be redeemed; or
- (ii) the sum of the present value of the remaining scheduled payments of principal and interest to the maturity date of such Series B 2010 Bonds to be redeemed, not including any portion of those payments of interest accrued and unpaid as of the date on which such Series B 2010 Bonds are to be redeemed, discounted to the date on which such Series B 2010 Bonds are to be redeemed on a semi-annual basis, assuming a 360-day year consisting of twelve 30-day months, at the Treasury Rate (described above) plus 100 basis points;

plus, in each case, accrued interest on such Series B 2010 Bonds to be redeemed to the redemption date.

Notice of Redemption. Unless waived by any owner of Series 2010 Bonds to be redeemed, official notice of any such redemption shall be given by the Bond Trustee on behalf of the Commission by first class mail or prepaid overnight delivery service, at least 30 days prior to the redemption date to each registered owner of the Series 2010 Bonds to be redeemed at the address shown on the bond register.

Book-Entry System. The Series 2010 Bonds are being issued by means of a book-entry system with no physical distribution of bond certificates to be made except as provided in the Master Bond Indenture. One Bond certificate with respect to each date on which the Series 2010 Bonds are stated to mature or with respect to each form of Series 2010 Bonds, registered in the nominee name of the Securities Depository, is being issued. The book-entry system will evidence positions held in the Series 2010 Bonds by the Securities Depository's participants, beneficial ownership of the Series 2010 Bonds in authorized denominations being evidenced in the records of such participants. Transfers of ownership shall be effected on the records of the Securities Depository and its participants pursuant to rules and procedures established by the Securities Depository and its participants. The Commission and the Bond Trustee will recognize the Securities Depository nominee, while the registered owner of this Series 2010 Bond, as the owner of this Series 2010 Bond for all purposes, including (i) payments of principal of and interest on this Series 2010 Bond, (ii) notices and (iii) voting. Transfer of principal and interest payments to participants of the Securities Depository, and transfer of principal and interest payments to beneficial owners of the Series 2010 Bonds by participants of the Securities Depository will be the responsibility of such participants and other nominees of such beneficial owners. The Commission and the Bond Trustee will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing the records maintained by the Securities Depository, the Securities Depository nominee, its participants or persons acting through such participants.
