November 12, 2013

**RE: ADDITIONAL INFORMATION regarding REQUEST FOR INFORMATION AND CONCEPT CONFERENCE** for a Learning Management System Opportunity for MoDOT, dated November 8, 2013.

Dear Valued Vendor:

Please see the below answers to questions which have been received. This additional information is believed to be of general interest to all potential vendors. All other information, topics, and dates in the RFI remain unchanged.

Question 1: Bar Coding Ability – if a vendor does not have this capability, is it “show-stopper”?

**Answer:** This is not a “show-stopper”. Bar coding is not mandatory.

Question 2: What is MoDOT's current LMS?

**Answer:** Pathlore

Question 3: What is the number of employees the LMS will be serving?

**Answer:** Approximately 5,100 employees. This system is intended for all MoDOT users at some level or another; some will simply be recipients of the training and tracking, others will be expected to administer it, and supervisors and managers will use it for staff management purposes.

Question 4: What is the budget for this project?

**Answer:** There is no defined budget for this effort as of yet. MoDOT is requesting the best product for our needs, expecting cost to be fiscally responsible.

Question 5: Do the demonstrations have to be in person or can a vendor use Go To Meeting?

**Answer:** A WebEx, such as Go To Meeting, will work fine.

Question 6: Would it be possible to set up a phone conference prior to the demonstrations?

**Answer:** Phone conference calls will not be scheduled prior to the concept conferences/demonstrations in order to allow all vendors equal opportunity.

The dates and times for the opportunity for vendors to provide product demonstrations have not changed. These demonstrations are being scheduled on November 18, 2013 between 7:30 a.m. and 1:00 p.m. or November 19, 2013 Noon through 2:30 p.m.

**Final RFI responses are requested no later than November 26, 2013.**

Sincerely,

Beth Rodeman, General Services Specialist
