RE: ADDITIONAL INFORMATION regarding REQUEST FOR INFORMATION AND CONCEPT CONFERENCE for a Learning Management System Opportunity for MoDOT, original request dated November 8, 2013.

Dear Valued Vendor:

Please see the below answers to questions which have been received. This additional information is believed to be of general interest to all potential vendors. Also, an additional day, December 3, 2013, has been added for the opportunity for vendors to provide product demonstrations; and the RFI response date has changed to no later than December 9, 2013.

Question 1: Why move off Pathlore & is there a definite need to find a new LMS? Is the likely outcome an upgrade with your current LMS provider?

Answer: MoDOT would like to see what is available on the market that meets MoDOT's needs and moves MoDOT forward. Each vendor has an equal shot at being awarded the contract.

Question 2: Would there be a chance for the vendor to speak with someone from the MoDOT team prior to demo to get a better understanding of demo agenda?

Answer: Phone/conference calls will not be scheduled prior to the concept conferences/demonstrations in order to allow all vendors equal opportunity. MoDOT would like to see what vendors have to offer. The purpose of the concept conferences is for exploration to determine what is out there and available since MoDOT hasn't been in the shopping mode for a while.

The dates and times for the opportunity for vendors to provide product demonstrations have been expanded to include an additional day. These demonstrations are being scheduled on November 18, 2013 between 8:30 a.m. and 1:00 p.m., November 19, 2013 Noon through 2:30 p.m., and December 3, 2013, from 8:00 a.m. through 3:00 p.m.

Final RFI responses are requested no later than December 9, 2013.

Sincerely,
Beth Rodeman, General Services Specialist
Missouri Department of Transportation
General Services Division
