## **1. INTRODUCTION AND GENERAL INFORMATION**

### **1.1 Introduction**

This Request for Bid seeks bids from qualified bidders to provide Cleaning Compounds throughout the state of Missouri with an effective contract period Notice of Award through January 31, 2017, to the Missouri Highways and Transportation Commission (MHTC) and Missouri Department of Transportation (MoDOT). Bid must be returned in a sealed envelope per section 3.1 Bid Submission. All questions regarding the RFB shall be submitted to the RFB Coordinator listed below. Bids must be returned no later than 2:00 p.m. Central Time, January 25, 2016.

#### **RFB Coordinator:**

**Robin Warren**  
**Sr. General Services Specialist**

**Phone: 573-526-7929**

**Email: [Robin.Warren@modot.mo.gov](mailto:Robin.Warren@modot.mo.gov)**

## 2. SCOPE OF WORK

### 2.1 General Requirements:

- 2.1.1 The Bidder shall provide Cleaning Compounds on an as needed if needed basis to the Missouri Highway and Transportation Commission (MHTC) and Missouri Department of Transportation (MoDOT), hereinafter referred to as “MoDOT”, in accordance with the provisions and requirements stated herein.
- 2.1.2 The Bidder shall provide all cleaning compounds to the sole satisfaction of MoDOT.
- 2.1.3 MoDOT does not estimate or guarantee any specific quantities to be purchased under this contract.
- 2.1.3 MoDOT reserves the right to obtain “like or similar” products as specified herein from other manufacturers, exclusive of the contract, when use of such products is deemed in the best interest of MoDOT.

### 2.2 Specific Requirements:

- 2.2.1 The Bidder shall insure all cleaning compounds comply with the attached MGS-94-08G and any other provisions outlined in this solicitation document.
- 2.2.2 Only products listed on the attached listing of Qualified Cleaning Compounds Field Section 2060T1 are eligible for bid pricing submittal.
- 2.2.3 The Bidder should submit a copy of the manufacturer’s product data sheet and Material Safety Data Sheet (MSDS) along with bid.

### 2.3 Delivery Requirements:

- 2.3.1 The Bidder shall deliver cleaning compounds, as specified herein, to MoDOT districts located throughout the state as identified at the time an order is placed. *See attached District Map.*
- 2.3.2 Orders may be placed by phone, fax or email. Orders placed by phone shall be confirmed on a hard copy.
- 2.3.3 Deliveries shall be made within fifteen (15) calendar days after receipt of order.
- 2.3.4 Ordering district(s) shall be notified of delay of an order that is not expected to meet the contract delivery requirements.

### 2.4 Invoice and Payment Requirements:

- 2.4.1 An itemized invoice shall be submitted to the applicable requesting address upon the completion of delivery.
- 2.4.2 The Bidder shall be paid in accordance with the firm, fixed prices stated on the pricing page of this bid document upon completion of delivery and acceptance by MoDOT.
- 2.4.3 MoDOT assumes no obligation for quantities shipped in excess of the quantity ordered. Any unauthorized quantity is subject to MoDOT’s rejection and shall be returned at the Bidder’s expense.
- 2.4.4 Other than the payment specified above, no other payments or reimbursements shall be made to the Bidder for any reason whatsoever.
- 2.4.5 MoDOT is exempt from paying Missouri Sales Tax, Missouri Use Tax and Federal Excise Tax.

## **2.5 Other Contractual Requirements:**

- 2.5.1 Contract Period – The contract shall commence from Notice of Award through January 31, 2017 with up to three (3) one-year renewal option periods.
- 2.5.2 Renewal Periods – If the option for renewal is exercised by MoDOT, the Bidder shall agree to all terms and conditions of the RFB and all subsequent amendments. Additionally, in the event MoDOT exercises its option(s) to renew the contract, the requirements for future months shall remain the same.
- 2.5.3 Escalation Clause – In the event the Bidder requests a price increase during the contract period (original contract period or contract renewal period), the Bidder must provide a written request and documentation justifying the need for a price increase, and the amount of the price increase. MoDOT will review the written request and documentation for a price increase, and decide if a price increase is to be granted at that particular time. The bidder shall understand and agree that MoDOT's decision shall be final and without recourse.
  - a. No price increase shall be granted during the first six (6) months of the original contract period, or if applicable first six (6) months of a contract period for renewal.

## **4. PRICING**

### **4.1 Pricing**

- 4.1.1 The Bidder shall provide a firm, fixed price on the following Pricing Pages for providing the cleaning compounds in accordance with the provisions and requirements of this RFB. All costs associated with providing the cleaning compounds shall be included in the price.
- 4.1.2 The Bidder is not required to submit pricing on all line items listed on the Pricing Pages.

## VENDOR INFORMATION & PREFERENCE CERTIFICATION FORM

### Vendor Information

All bidders must furnish ALL applicable information requested below

<b>Vendor Name/Mailing Address:</b>  Email Address:	<b>Vendor Contact Information (including area codes):</b> Phone #: Cellular #: Fax #:
<b>Printed Name of Responsible Officer or Employee:</b>	<b>Signature:</b>
<b>For Corporations</b> - State in which incorporated:	<b>For Others</b> - State of domicile:

If the address listed in the Vendor Name/Mailing Address block above is not located in the State of Missouri, list the address of Missouri offices or places of business:

*If additional space is required, please attach an additional sheet and identify it as **Addresses of Missouri Offices or Places of Business.***

**M/WBE INFORMATION:** List all certified Minority or Women Business Enterprises (M/WBE) utilized in the fulfillment of this bid. Include percentages for subcontractors and identify the M/WBE certifying agency:

<u>M/WBE Name</u>	<u>Percentage of Contract</u>	<u>M/WBE Certifying Agency</u>
-------------------	-------------------------------	--------------------------------

*If additional space is required, please attach an additional sheet and identify it as **M/WBE Information***

### Preference Certification

All bidders must furnish ALL applicable information requested below

**GOODS/PRODUCTS MANUFACTURED OR PRODUCED IN USA:** If any or all of the goods or products offered in the attached bid which the bidder proposes to supply to the MHTC are **not** manufactured or produced in the "United States", or imported in accordance with a qualifying treaty, law, agreement, or regulation, list below, by item or item number, the country other than the United States where each good or product is manufactured or produced.

Item (or item number)	Location Where Item is Manufactured or Produced

*If additional space is required, please attach an additional sheet and identify it as **Location Products are Manufactured or Produced.***

**MISSOURI SERVICE-DISABLED VETERAN BUSINESS:** Please complete the following if applicable. Additional information may be requested if preference is applicable. See below definitions for qualification criteria:

**Service-Disabled Veteran** is defined as any individual who is disabled as certified by the appropriate federal agency responsible for the administration of veterans' affairs.

**Service-Disabled Veteran Business** is defined as a business concern:

- a. Not less than fifty-one (51) percent of which is owned by one or more service-disabled veterans or, in the case of any publicly owned business, not less than fifty-one (51) percent of the stock of which is owned by one or more service-disabled veterans; and
- b. The management and daily business operations of which are controlled by one or more service-disabled veterans.

## COOPERATIVE AGREEMENT

The Department is interested in assisting Missouri counties, cities, special road districts, etc. in purchasing equipment, various materials and supplies that meet the Missouri Department of Transportation specifications.

Each bidder is asked to indicate below whether they would be willing to offer **Cleaning Compounds** listed in the attached Request for Bid for sale to these local political entities at the same bid price offered to this Department.

It is understood the Department will not issue purchase orders, accept delivery nor make payment for these items ordered by any of these agencies. It is further understood the price is based on the **Cleaning Compounds** meeting the Department specifications. Any added options, deletions, or extra freight costs would be negotiated between the local agency and the successful vendor.

Indicate below whether your company is willing to offer such cooperative purchasing for Missouri counties, cities or other political entities.

**YES** \_\_\_\_\_

**NO** \_\_\_\_\_

If the price varies throughout the state on Department bids because of different delivery destinations, please indicate the price f.o.b. your location that would be offered as described.

F.O.B. Location \_\_\_\_\_

Indicate the deadline date that orders will be accepted. \_\_\_\_\_

COMPANY NAME \_\_\_\_\_

ADDRESS \_\_\_\_\_

PHONE NUMBER \_\_\_\_\_

CLEANING COMPOUND MGS-94-08G

**1.0 DESCRIPTION.** This specification covers cleaning compounds, parts washer fluids and asphalt removers.

**2.0 MATERIALS.** All products shall be available in 1 gallon or larger containers and shall be provided in the quantity established in the purchase order.

**2.1 CLEANING COMPOUNDS.** Cleaning compounds include degreasers, wettable powder steam cleaning compounds, and liquid steam cleaning compounds to be used with a pressure sprayer or a steam cleaner. Cleaning compounds shall be water-based compounds designed to remove dirt, grease, tar, asphalt and oil from automobiles, trucks, and machinery.

**2.1.1** Cleaning compounds shall be nonflammable, biodegradable, shall not be harmful to glass, paint or metal, and shall be formulated to be diluted with water at a maximum rate of 2 ounces per gallon (1:64) (16 ml per Liter) of water for standard use. No other diluents shall be required or allowed for use.

**2.2 PARTS WASHER FLUID.** Parts washer fluid shall be designed to remove dirt, grease, tar, asphalt, oil, and other substances from various items.

**2.2.1** The fluid shall not be harmful to glass, paint, or metal surfaces. The fluid shall not require dilution for use.

**2.3 ASPHALT REMOVERS.** Asphalt removers shall be designed to remove tar, asphalt, oil, and other substances from machinery and tools.

**2.3.1** The remover shall be biodegradable and shall not be harmful to glass, paint, or metal surfaces. The remover shall not require dilution for use. When used as directed, the asphalt remover shall not be listed as a hazardous waste or meet any criteria for determining a hazardous waste as defined in U.S. EPA regulation 40 CFR Part 261 except that 40 CFR Part 261.21 (Characteristics of Ignitability) shall not apply.

**2.4 LABELING.**

**2.4.1 CLEANING COMPOUNDS.** The containers for cleaning compound shall have affixed a label indicating the company and product name and clearly detailing the recommended dilution rates for standard and heavy duty cleaning.

**2.4.2 PARTS WASHER FLUID AND ASPHALT REMOVERS.** The containers for parts washer fluid and asphalt remover shall have affixed a label indicating the company and product name and any pertinent handling instructions.

**3.0 ORDERING INFORMATION.** The quantity of material and size of containers be in accordance with the order.

**4.0 BRAND NAME QUALIFICATION.** No bids will be accepted if the manufacturer and brand name of the cleaning compound, parts washer fluid, or asphalt remover have

not been added to the qualified list. Inclusion on the qualified list may be based on documentation review, satisfactory test results, satisfactory field trial results, and compliance with this specification. Qualification determination will be at the standard dilution rate indicated on both the product label and the product literature.

4.1 A list of qualified brands is maintained in FS-2060 of the Materials Manual. To be considered for qualification, the manufacturer shall submit to Construction-Materials, PO Box 270, Jefferson City, MO 65102, a one gallon (four liter) sample of liquid compounds or a ten pound (5 Kg) sample of powdered compound. All samples shall be accompanied by a copy of the manufacturer's data sheet, handling and use instructions, the required certifications and a material safety data sheet. Submittals that do not have all required documentation will not be considered.

4.1.1 For cleaning compounds, the data sheet shall show the recommended dilution rates for standard and for heavy duty cleaning.

4.1.2 For parts washer fluid, the data sheet shall include recommended handling procedures.

4.1.3 For asphalt removers, the data sheet shall include recommended handling procedures. The manufacturer shall include with the product data, a manufacturer's guarantee stating that the product when used as directed, is not listed as a hazardous waste and does not meet any criteria for determining a hazardous waste as defined in U.S. EPA regulation 40 CFR Part 261, except that 40 CFR Part 261.21 (Characteristics of Ignitability) shall not apply.

4.2 If approved, the brand and manufacturer name and the acceptable dilution rate (if appropriate) will be added to the Qualified List for the correct application.

**5.0 DISQUALIFICATION.** If, through the course of field use, it is determined that the product does not perform satisfactorily or does not comply with any part of this specification, the material may be subject to removal from the qualified list and no subsequent purchase will be allowed.

**6.0 BID INFORMATION.** The bidder shall submit with the bid a copy of the manufacturer's product data and a Material Safety Data Sheet. For cleaning compounds as defined in Sec 2.1 of this specification, the manufacturers data sheet shall include the recommended dilution rate for normal use.

**6.1** The bidder is advised that the maximum dilution rate allowed is 2 ounces per gallon (16 ml per Liter) for cleaning compounds as defined in Sec 2.1 of this specification. Lower dilution rates will be accepted, however, no adjustments will be made to the unit bid price to determine the lowest bidder. The product data and product label must show dilution rate in accordance with this specification.

**7.0 CERTIFICATION.** The manufacturer shall supply a certification stating that the material meets the requirements of these specifications, that all compound that is to be provided will be the same material as that submitted for qualification and that the material is not harmful to glass, paint, or metal surfaces. Certification for cleaning compounds as defined in Sec. 2.1 or Sec 2.3 of this specification shall include the

statement that the product is biodegradable. Asphalt removers shall not be listed as a hazardous waste or meet any criteria for determining a hazardous waste as defined in U.S. EPA regulation 40 CFR Part 261 except that 40 CFR Part 261.21 (Characteristics of Ignitability) shall not apply. Certification for asphalt removers shall also include a copy of the manufacturer's guarantee statement. All certifications shall be signed by an authorized representative of the manufacturer and shall be notarized. The certification shall be accompanied by product use and handling instructions. In addition, the certification shall accompany the shipment to the destination set forth in the purchase order.

**8.0 ACCEPTANCE.** Material governed by this specification will be accepted based upon receipt of the required certification, any sampling and testing deemed necessary by the department, complete compliance with this specification, and upon satisfactory field performance.

**Missouri Highways and Transportation Commission**  
**Standard Bid/Proposal Provisions, General Terms and Conditions and Special Terms and Conditions**

**STANDARD SOLICITATION PROVISIONS**

- a. The solicitation for the procurement of the supplies referenced therein, to which these "Standard Bid Provisions, General Terms and Conditions and Special Terms and Conditions" are attached, is being issued under, and governed by, the provisions of Title 7 – Missouri Department of Transportation, Division 10 – Missouri Highways and Transportation Commission, Chapter 11 – Procurement of Supplies, of the Code of State Regulations. The Missouri Highways and Transportation Commission (**MHTC**), acting by and through its operating arm, the Missouri Department of Transportation (**MoDOT**), draws the Bidder's attention to said 7 CSR 10-11 for all the provisions governing solicitation and receipt of bids/quotes and the award of the contract pursuant to this solicitation.
- b. All bids/quotes must be signed with the firm name and by a responsible officer or employee. Obligations assumed by such signature must be fulfilled.

**GENERAL TERMS AND CONDITIONS**

**Definitions**

Capitalized terms as well as other terms used but not defined herein shall have the meaning assigned to them in section 7 CSR 10-11.010 Definition of Terms.

**Nondiscrimination**

- a. The Contractor shall comply with all state and federal statutes applicable to the Contractor relating to nondiscrimination, including, but not limited to, Chapter 213, RSMo; Title VI and Title VII of Civil Rights Act of 1964 as amended (42 U.S.C. Sections 2000d and 2000e, *et seq.*); and with any provision of the "Americans with Disabilities Act" (42 U.S.C. Section 12101, *et seq.*)
- b. **Sanctions for Noncompliance:** In the event of the Contractor's noncompliance with the nondiscrimination provisions of this contract, MHTC shall impose such contract sanctions as it or the Federal Highway Administration may determine to be appropriate, including, but not limited to:
  - i. withholding of payments to the Contractor under the contract until the Contractor complies, and/or,
  - ii. cancellation, termination or suspension of the contract, in whole or in part.

**Contract/Purchase Order**

- a. By submitting a bid/quote, the Bidder agrees to furnish any and all equipment, supplies and/or services specified in the solicitation documents, at the prices quoted, pursuant to all requirements and specifications contained therein.
- b. A binding contract shall consist of: (1) the solicitation documents, amendments thereto, and/or Best and Final Offer (BAFO) request(s) with any changes/additions, (2) the Contractor's bid response, and (3) the MHTC's acceptance of the bid by post-award contract or purchase order.
- c. A notice of award does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services, the Contractor must receive a properly authorized notice to proceed and/or purchase order.

**Applicable Laws and Regulations**

- a. The contract shall be construed according to the laws of the State of Missouri. The Contractor shall comply with all local, state, and federal laws and regulations related to the performance of the contract. The exclusive venue for any legal proceeding relating to or arising, out of the contract shall be in the Circuit Court of Cole County, Missouri.
- b. The Contractor must be registered and maintain good standing with the Secretary of State of the State of Missouri, Missouri Department of Revenue, and other regulatory agencies, as may be required by law or regulations. Prior to the issuance of a purchase order and/or notice to proceed, the Contractor may be required to submit to MHTC a copy of their current Authority Certificate from the Secretary of State of the State of Missouri and/or a copy of their Certificate of No Tax Due from the Missouri Department of Revenue.
- c. Prior to the issuance of a purchase order and/or notice to proceed, all **out-of-state** Contractors **providing services** within the state of Missouri must submit to MHTC a copy of their current Transient Employer Certificate from the Missouri Department of Revenue, in addition to a copy of their current Authority Certificate from the Secretary of State of the State of Missouri.

**Executive Order:**

The Contractor shall comply with all the provisions of Executive Order 07-13, issued by the Honorable Matt Blunt, Governor of Missouri, on the sixth (6<sup>th</sup>) day of March, 2007. This Executive Order, which promulgates the State of Missouri's position to not tolerate persons who contract with the state engaging in or supporting illegal activities of employing individuals who are not eligible to work in the United States, is incorporated herein by reference and made a part of this Agreement.

- 1) "By signing this Agreement, the Contractor hereby certifies that any employee of the Contractor assigned to perform services under the contract is eligible and authorized to work in the United States in compliance with federal law."
- 2) In the event the Contractor fails to comply with the provisions of the Executive Order 07-13, or in the event the Commission has reasonable cause to believe that the contractor has knowingly employed individuals who are not eligible to work in the United States in violation of federal law, the Commission reserves the right to impose such contract sanctions as it may determine to be appropriate, including but not limited to contract cancellation, termination or suspension in whole or in part or both.
- 3) The Contractor shall include the provisions of this paragraph in every subcontract. The Contractor shall take such action with respect to any subcontract as the Commission may direct as a means of enforcing such provisions, including sanctions for noncompliance.

**Preferences**

- a. In the evaluation of bids/quotes, preferences shall be applied in accordance with 7 CSR 10-11.020(7). Contractors should apply the same preferences in selecting subcontractors. The attached document entitled "**VENDOR INFORMATION AND PREFERENCE CERTIFICATION FORM**" must be completed and returned with the solicitation documents.
- b. Bidders are encouraged to obtain minority business enterprise (MBE) and women business enterprise (WBE) participation in this work through the use of subcontractors, suppliers, joint ventures, or other arrangements that afford meaningful participation for M/WBES. Bidders are encouraged to obtain 10% MBE and 5% WBE participation.

**Missouri Highways and Transportation Commission**  
**Standard Bid/Proposal Provisions, General Terms and Conditions and Special Terms and Conditions**

**Cancellation of Contract**

The MHTC may cancel the Contract at any time for a material breach of contractual obligations or for convenience by providing Contractor with written notice of cancellation. Should the MHTC exercise its right to cancel the contract for such reasons, cancellation will become effective upon the date specified in the notice of cancellation sent to the Contractor.

**Bankruptcy or Insolvency**

Upon filing for any bankruptcy or insolvency proceeding by or against the Contractor, whether voluntarily, or upon the appointment of a receiver, trustee, or assignee, for the benefit of creditors, the Commission reserves the right and sole discretion to either cancel the Agreement or affirm the Agreement and hold the Contractor responsible for damages.

**Warranty**

The Contractor expressly warrants that all equipment, supplies, and/or services provided shall: (1) conform to each and every specification, drawing, sample or other description which was furnished to or adopted by the MHTC, (2) be fit and sufficient for the purpose expressed in the solicitation documents, (3) be merchantable, (4) be of good materials and workmanship, and (5) be free from defect.

**Status of Independent Contractor**

The Contractor represents itself to be an independent Contractor offering such services to the general public and shall not represent itself or its employees to be an employee of the MHTC. Therefore, the Contractor shall assume all legal and financial responsibility for taxes, FICA, employee fringe benefits, workers' compensation, employee insurance, minimum wage requirements, overtime, etc., and agrees to indemnify, save and hold the MHTC, its officers, agents and employees harmless from and against any and all losses (including attorney fees) and damage of any kind related to such matters.

**Non-Waiver**

If one of the parties agrees to waive its right to enforce any term of this Contract, that party does not waive its right to enforce such term at any other time or to enforce any or all other terms of this Contract.

**Indemnification**

The Contractor shall defend, indemnify and hold harmless MHTC, including its members and department employees, from any claim or liability whether based on a claim for damages to real or personal property or to a person for any matter relating to or arising out of the Contractor's performance of its obligations under the contract awarded pursuant to this solicitation.
