**SECTION (1):  
GENERAL DESCRIPTION AND BACKGROUND**

- (A) **Request for Proposal:** This document constitutes a RFP from qualified organizations to provide Transit Drug and Alcohol Program Services to MHTC and the Missouri Department of Transportation (**MoDOT**).
- (B) **Background:** The Transit Section, Multimodal Operations Division, of the Missouri Department of Transportation (MoDOT) provides financial and technical assistance for Missouri's rural and urban public transportation providers. Transit grantees and human service mobility providers receiving funding through federal financial assistance under the following programs are required to comply with the Federal Transit Administration's (FTA) drug and alcohol program requirements as found in 49 CFR Part 40 and Part 655:

49 USC 5307 – Urban Transit Assistance Program,  
49 USC 5309 – Discretionary Transit Capital Investment Program,  
49 USC 5311 – Nonurban Transit Assistance Program,

Additionally, transit grantees and service providers receiving funding through federal financial assistance under the following programs are required to comply with the federal Drug-Free Work Place Act as found in 49 CFR 29.600:

49 USC 5307 – Urban Transit Assistance Program,  
  
49 USC 5309 – Discretionary Transit Capital Investment Program,

Since the inception of FTA's 1995 revised drug and alcohol program requirements (formerly found in 49 CFR Parts 653 and 654), MoDOT's Transit Section has worked with local transit providers and human service mobility providers to lend them technical assistance in meeting their requirements under FTA's drug and alcohol program rules. Due to a lack of uniformity in compliance, transit providers need a statewide consortium-based program that assures they meet all of the federal drug and alcohol program requirements.

The consortium in this proposal would be voluntary for Missouri's 29 rural, two (2) university and seven (7) urban transit providers. MoDOT would expect most of the 29 rural providers would participate which would involve approximately 750 safety sensitive employees. Approximately five (5) of the urban transit providers would likely participate adding another 125 safety sensitive employees to the pool. All testing and training related services performed under this contract would be billed directly to the transit agencies participating in this consortium. Oversight services, such as on-site inspections of collection sites and transit agencies, as required, would be billed directly to MoDOT.

- (C) **Fiscal Year:** The fiscal year runs from July 1-June 30.
- (D) **Contract Period:** July 1, 2013 through June 30, 2014.
- (E) **Renewals/Extensions:** The contract shall not bind, not purport to bind, MHTC for any contractual commitment in excess of the original contract period. The MHTC shall have the right, at its sole option, to extend the contract for two (2) additional one-year periods, or a portion thereof. In the event MHTC exercises its options, all terms, conditions, and provisions of the original contract shall remain the same and apply during the extension period. If the options are exercised, the Offeror shall agree the prices stated in the original contract shall not be increased in excess of the renewal periods' pricing, if any, stated on the pricing page of the contract. If the pricing page does not include such renewal prices or if applicable spaces are left blank, are not completed, prices during extension periods shall be the same as during the original contract period. MHTC does not automatically exercise its options based upon the maximum renewal price of increase without documented justification supporting an increase and reserves the right to offer or to request an extension of the contract at a price less than that price derived from the Offeror's renewal amounts.
- (F) **Clarification of Requirements:** Any and all questions regarding specifications, requirements, competitive procurement process, or other questions must be directed to Leann Kottwitz, Missouri Department of Transportation, P. O. Box 270, Jefferson City, Missouri, 65102, (573) 751-3685 (phone) or Leann.Kottwitz@modot.mo.gov (Email.) All written questions must be addressed to Leann Kottwitz no later than **10:00 a.m., Local Time, May 24, 2013**. Once all the questions are gathered, MoDOT will issue an addendum and post the responses to all questions on-line for vendors to retrieve. **It is anticipated this addendum will be issued May 30, 2013.** It is the sole responsibility for all Offerors to check the website for any and all addendums throughout the procurement process.
- (G) **RFP Schedule Of Events:** The following RFP Schedule of Events represents MoDOT's best estimate of the schedule that shall be followed. Unless otherwise specified, the time of day for the following events shall be between 7:00 am and 3:30 pm, Local Time.

MoDOT reserves the right at its sole discretion to expand this schedule, as it deems necessary, without any notification except for the deadline date for submitting a bid.
