**SECTION 1:  
GENERAL DESCRIPTION AND BACKGROUND**

**(A) Request for Proposal:** This document constitutes a RFP from prospective qualified Offerors to provide Medicare Part D Data Validation services to the MoDOT and Missouri State Highway Patrol (MSHP) Medical and Life Insurance Plan (hereinafter “Plan”), as set forth in this RFP.

**(B) Background:** MHTC is seeking a qualified Offeror who can provide Medicare Part D Data Validation services. It is the intent of this RFP to have the successful Offeror enter into a Consulting Agreement with MHTC (hereinafter “**Resulting Agreement**”), to supply Medicare Part D Data Validation services as outlined herein.

a. In accordance with Section 104.270 RSMo. 1994, MHTC, acting through the MoDOT and MSHP Medical and Life Insurance Plan Board of Trustees, (herinafter “Board”), provides a medical and prescription drug benefit program to members of the MoDOT and MSHP Employees’ Retirement System (MPERS), their dependents and others. The Plan is a self-insured medical plan and fully insured life insurance plan. A copy of the current plan document is available at [www.modot.gov/newsandinfo/benefits.htm](http://www.modot.gov/newsandinfo/benefits.htm).

b. The purpose of an independent validation of reported Medicare Part D data is to ensure that all Medicare Part C and Part D prescription drug programs are reporting data that are reliable, valid, complete, comparable and timely. Audited data provides the Centers for Medicare & Medicaid Services (CMS) with assurance that relevant data are consistently collected by Medicare prescription drug programs.

c. MHTC directly contracts with CMS to provide an Employer Group Waiver Plan (EGWP) Medicare Part D Prescription Drug Program (PDP) to retired and disabled MHTC employees and their Medicare eligible dependent spouses and children. The PDP has a current enrollment of approximately 5,326 members and MHTC uses one pharmacy benefit manager to administer the primary functions of the PDP.

**(C) Contract Period:** The Contract Period for the performance of the services described in this RFP is from the date of the fully executed Resulting Agreement through the next three years. The successful Offeror shall perform any and all of the services listed herein as often as requested by MHTC for the entire duration of the Contract Period as defined herein at the Guaranteed-Not-To-Exceed Prices submitted by the successful Offeror in response to **SECTION 6: PRICING PAGE** of this RFP.

**(D) Renewal Information:** The contract shall not bind, not purport to bind, the Commission for any contractual commitment in excess of the original contract period. The Commission shall have the right, at its sole option, to extend the contract for two (2) additional one-year periods, or any portion thereof. In the event that the Commission exercises its options to extend the contract, such extension must be accomplished by a formal contract amendment approved and signed by representatives of the Contractor and Commission, respectively, each of whom being duly authorized to execute the contract amendment on behalf of the Contractor and Commission, respectively, wherein the successful Offeror shall agree the prices stated in the original contract shall not be increased in excess of the renewal periods’ pricing, if any, stated on

the pricing page of the contract. If the pricing page does not include such renewal prices or if applicable spaces are left blank, and not completed, prices during extension periods shall be the same as during the original contract period.

**(E) Schedule of Events:** Below is the schedule that will be followed. Unless otherwise specified, the time of day will be 7:30 a.m. to 4:00 p.m. Central Time. MHTC reserves the right at its sole discretion to expand this schedule, as deemed necessary, without any notification except for the deadline date for submitting a proposal.

**(B) Submission of Proposals:** Offerors are responsible for submission of accurate, adequate and clear descriptions of the information requested. Omissions, vagueness or inaccurate descriptions or responses shall not be interpreted in favor of the Offeror and shall be grounds for rejection. This document is not an offer to contract, but is an RFP. Neither the issuance of the RFP, preparation and submission of a response, nor the subsequent receipt and evaluation of any response by the MHTC, will commit the MHTC to award a contract to any Offeror even if all of the requirements in the RFP are met. The MHTC may modify these requirements in whole or in part and/or seek additional Offerors to submit proposals. Only the execution of the Resulting Agreement will obligate the MHTC in accordance with the terms and conditions contained therein.

**1. Proposal Format:** The Offeror's submittal must include one (1) original hardcopy document. Three (3) electronic copies of the proposal are desired in addition to the hardcopy document. Electronic copies of the proposal must be in Microsoft compatible format or in ".pdf" and stored on CD(s) or flash drive(s). **A.** MHTC shall not make any payment to the successful Offeror in advance of the services rendered by the successful Offeror.

**B.** Each Offeror is responsible for its own expense in preparing, delivering or presenting a proposal, and for subsequent interviews or negotiations with MHTC, if any, as provided for in this RFP.

**4. Proposal Life:** The Offerors must include a statement in the proposal that indicates the length of time during which MHTC may rely on all proposal commitments. **5. Submission of All Information Required:** The Offerors must respond to this RFP by submitting all the information required herein for its proposal to be evaluated and considered for award. Failure to submit all the required information shall be deemed sufficient cause for disqualification of a proposal from consideration.

**6. Public Inspection:** The Offerors are hereby advised that all proposals and the information contained in or related thereto are subject to Missouri Open Records Act and after contract award and execution of the Resulting Agreement shall be open to public inspection and may be viewed and copied by any member of the public; therefore, MHTC does not assume any responsibility whatsoever in the event that such information is used or copied by individual persons or organizations.

**A.** Offerors claiming a statutory exception to the Missouri Open Records Act must place all confidential documents (including the requisite number of copies) in a sealed envelope clearly marked “Confidential” and must indicate in the proposal and on the outside of that envelope that confidential materials are included. The Offeror must also specify which statutory exception provision applies. MHTC reserves the right to make determinations of confidentiality. If MHTC does not agree that the information designated is confidential under one of the disclosure exceptions to the Missouri Open Records Act, it may either reject the proposal or discuss its interpretation of the allowable exceptions with the Offeror. If agreement can be reached, the proposal will be considered. If agreement cannot be reached, MHTC will remove the proposal from consideration for award and return the proposal to the Offeror.

**B.** MHTC will not consider prices to be confidential information.

**C.** The Offeror must submit its proposal based on the conditions contained in this paragraph without reservations.

**7. Clarification of Requirements:** It shall be the Offerors’ responsibility to ask questions, request changes or clarification, or otherwise advise MHTC/MoDOT if any language, specifications or requirements of the RFP appear to be ambiguous, contradictory, and/or arbitrary, or appear to inadvertently restrict or limit the requirements stated in the RFP to a single source.

**A.** Any and all communication from Offerors regarding specifications, requirements, competitive proposal, etc., must be directed to the RFP Buyer of Record listed herein, unless the RFP specifically refers the Offerors to another contact. Such communication shall be received by the date noted in **SECTION 1: GENERAL DESCRIPTION AND BACKGROUND, (E) Schedule of Events.**

**B.** Every attempt will be made to ensure that the Offeror receives an adequate and prompt response. However, in order to maintain a fair and equitable proposal process, all Offerors will be advised, via the issuance of an amendment to the RFP, of any relevant or pertinent information related to the procurement. Therefore, Offerors are advised that unless specified elsewhere in the RFP, any questions received after the listed date may not be answered.

**8. Interview Conference:** After an initial screening of the written proposals, any, or all of the Offerors submitting a proposal in response to this RFP may be required to give an oral presentation of their proposal. Additional technical information may be requested for clarification purposes, but in no way to change the original written proposal submitted. MHTC reserves the right, in its sole discretion, to decide to conduct interviews with any or all of the Offerors. If an interview is conducted, it is preferred that the interviewed Offeror’s personnel to be assigned to the work, as well as key representatives, be present at and participate in the interview.

**9. Official Position of MHTC:** Offerors are cautioned that the only official position of the MHTC and MoDOT is that which is issued by MHTC in the RFP or an amendment thereto. No other means of communication, whether oral or written, shall be construed as a formal or official response or statement.

**SECTION 4:  
EVALUATION FACTORS AND PROCESS:**

**(A) Evaluation Factors:** The following factors shall be considered in the evaluation of the proposals:

Qualification and Expertise of Organization and Key Personnel	20
Proposed Method of Performance	20
Proposed Fee	20
Overall Clarity and Quality of Proposal	10

**2. Historic Information:** MHTC reserves the right to consider historic information and facts, whether gained from the Offeror's proposal, presentations or interviews as applicable, references, or other sources, including but not limited to the listed subcontractors, in the evaluation process.

**3. Responsibility to Submit Information:** Each Offeror is cautioned that it is the Offeror's sole responsibility to submit information related to the evaluation criteria and MHTC is under no obligation to solicit such information if it is not included with the Offeror's proposal. Failure of the Offeror to submit such information may cause an adverse impact on the evaluation of the Offeror's proposal.

**(B) Proposal Review/Evaluation:** MHTC will select a group of individuals to comprise the proposal review team. MHTC may, in its sole discretion, form a subgroup of the proposal review team, consisting of one or more team members, to comprise a separate proposal evaluation team that would be responsible for evaluating proposals with regard to compliance with RFP requirements. All evaluation team members will use the evaluation criteria stated above and present the evaluations to the review team for further action in the proposal evaluation and contract award process. If MHTC opts to not create a separate subgroup proposal evaluation team, the proposal review team shall also act as the proposal evaluation team.

## **SECTION 5: TERMS AND CONDITIONS**

**(A) Agreement Components:** The Resulting Agreement between MHTC and the successful Offeror shall incorporate by reference as its components the following: the RFP and any written amendments thereto and the proposal submitted by the successful Offeror in response to the RFP. In case of a conflict between or inconsistency in the terms contained in the RFP and the proposal submitted by the Offeror in response to the RFP, the terms of the RFP shall govern. In the event of a conflict between or inconsistency in the terms of the RFP and the Resulting Agreement, the terms of the Resulting Agreement shall govern. **(B) MHTC's Representative:** MoDOT's Risk and Benefits Management Director is designated as MHTC's representative with authority to act on behalf of MHTC for the purpose of administering the Resulting Agreement. MHTC's representative may designate by written notice other persons having the authority to act on behalf of MHTC in furtherance of the performance of the Resulting Agreement. Each Offeror shall fully coordinate its activities with the designated representative and shall consult the MHTC representative regarding any problem arising out of the provision of the services to the MHTC pursuant to this RFP and the Resulting Agreement. As the work of the successful Offeror progresses, advice and information on matters covered by the Resulting Agreement shall be made available by the successful Offeror to the designated representative throughout the effective period of the Agreement. MHTC reserves the right to limit the authority of Buyer of Record and MHTC's representative provided herein as it deems

necessary in its sole discretion at any time and from time to time throughout the duration of the RFP process and the Contract Period.

**(C) Assignment:** The successful Offeror shall not assign, transfer, or delegate any interest in the services to be provided under this RFP and the Resulting Agreement without the prior written consent of the MHTC representative. The successful Offeror may at its own expense employ clerical or technical assistance in the performance of the services under this RFP and the Resulting Agreement, such clerical and technical assistance provider being as fully bound as the Offeror to all confidentiality and work product provisions of this RFP and the Resulting Agreement.

**(D) Amendments:** Any change in the Resulting Agreement, whether by modification or supplementation, must be accomplished by a formal contract amendment approved and signed by representatives of the Successful Offeror and Commission, respectively, each of whom being duly authorized to execute the contract amendment on behalf of the Successful Offeror and Commission, respectively.

**(E) Disputes Under the RFP and Resulting Agreement:** The MHTC representative and/or Buyer of Record, as applicable, will decide all questions which may arise as to the quality, quantity, and acceptability of any Offeror's proposals submitted in response to this RFP, and of the services under this RFP and the Resulting Agreement performed by the successful Offeror and as to the rate of progress of the services; all questions which may arise as to the interpretation of the services to be performed under this RFP and the Resulting Agreement; all questions as to the acceptable fulfillment of the Resulting Agreement on the part of the successful Offeror; the proper compensation for performance or breach of the Resulting Agreement; and all claims of any character whatsoever in connection with or growing out of the services to be performed or performed by the successful Offeror, whether claims under this RFP and the Resulting Agreement or otherwise. The decision of the MHTC representative and/or Buyer of Record, as applicable, shall be conclusive, binding, and incontestable.

**(F) Successors and Assigns:** The Commission and the Offerors agree that this RFP and, as applicable, the Resulting Agreement as well as all agreements entered into under the provisions of this RFP, shall be binding upon the parties thereto and their successors and assigns.

**(G) Sole Beneficiary:** The Resulting Agreement will be made for the sole benefit of the parties thereto and nothing in this RFP or the Resulting Agreement shall be construed to give any rights or benefits to anyone other than the Commission and the successful Offeror.

**(H) Cancellation of Resulting Agreement:** MHTC may cancel the Resulting Agreement at any time by providing the successful Offeror with a written notice of cancellation. Should the Commission exercise its right to cancel the Resulting Agreement, cancellation will become effective upon the date specified in the notice of cancellation.

**(I) Bankruptcy:** Upon filing for any bankruptcy or insolvency proceeding by or against any Offeror or assignee, whether voluntarily, or upon the appointment of a receiver for the benefit of creditors, Commission reserves the right and sole discretion to reject the Offeror's

proposal, or, as applicable, either cancel the Resulting Agreement or affirm the Resulting Agreement and hold the successful Offeror responsible for damages.

**(J) Status as Independent Contractor:** The successful Offeror represents itself to be an independent contractor offering such services to the general public and shall not represent itself or its employees to be an employee of MHTC or MoDOT. Therefore, the successful Offeror shall assume all legal and financial responsibility for taxes, FICA, employee fringe benefits, workers' compensation, employee insurance, minimum wage requirements, overtime, or other such benefits or obligations.

**(K) Subcontractor:** Any Offeror's proposal must identify all subcontractors, if any, and outline the contractual relationship between the Offeror and each subcontractor. Either a copy of the executed subcontract or a letter of agreement over the official signature of the firms involved must accompany each proposal. MHTC must approve the successful Offeror's subcontracting any portion of the services to be provided under the Agreement. The successful Offeror is responsible for the performance of any obligations that may result from this RFP and the Agreement and shall not be relieved by the non-performance of any subcontractor.

**(L) MBE/WBE Participation Encouraged:**
