## **SECTION 1: GENERAL DESCRIPTION AND BACKGROUND**

**(A) Request for Proposal:** This document constitutes a RFP from prospective qualified Offerors to provide introductory supervision skills training to the Commission and MoDOT, as set forth in this RFP.

**(B) Background:** MHTC is seeking a qualified Offeror who can provide training services. It is the intent of this RFP to have the successful Offeror enter into a Service Agreement with MHTC (hereinafter “**Resulting Agreement**”), to supply training services as outlined herein.

The Missouri Department of Transportation (MoDOT) would like to provide a course for its personnel, which will teach basic skills for potential entry-level supervisors. This will allow the participants to be more effective in the work environment and provide them with the necessary skills to function successfully as a new supervisor. The technical content of the course should be introductory in nature.

The intent is to provide dynamic training that will groom MoDOT’s future supervisors and impart a better knowledge of requisite personal qualities, and how to supervise personnel, projects and change. This course will include basic management theory, terminology and principles, but focus heavily on how to apply the theory. Students need to know “what to do” when they leave the class. The course will be designed using best practice instructional design, including team-based learning and job aids that can be used in the workplace. Instructional delivery and course material should be designed to meet the needs of a range of education levels from roughly 8<sup>th</sup> grade reading level and higher. All course materials should be developed in cooperation with MoDOT’s liaison or a designee.

The successful Offeror shall perform any and all the services listed herein as often as requested by MHTC for the entire duration of the Contract Period as defined herein at the Guaranteed-Not-To-Exceed Prices submitted by the successful Offeror in response to **SECTION 6: PRICING PAGE** of this RFP.

**(D) Renewal Information:** The contract shall not bind, not purport to bind, the Commission for any contractual commitment in excess of the original contract period. The Commission shall have the right, at its sole option, to extend the contract for (4) four one-year periods or any portion thereof. In the event that the Commission exercises its options to extend the contract, such extension must be accomplished by a formal contract amendment approved and signed by representatives of the Contractor and Commission, respectively, each of whom being duly authorized to execute the contract amendment on behalf of the Contractor and Commission, respectively.

**(E) Schedule of Events:** Below is the schedule that will be followed. Unless otherwise specified, the time of day will be 7:30 a.m. to 4:00 p.m. Central Time. MHTC

reserves the right at its sole discretion to expand this schedule, as deemed necessary, without any notification except for the deadline date for submitting a proposal.
