This lot is the “contaminated” aluminum signs which will be sold as a lot and not with the other reclaimed aluminum blanks.

The steel bins (approximately 4) that are pictured holding this material on pages 2 & 3 will be sold along with the material, but the bins will be priced separately as scrap steel.

This bin of aluminum sign blanks will be sold with the lot pictured on page 2 as “contaminated” aluminum signs.

This lot is to be included with the other scrap aluminum sign blanks pictured in the original bid. This is approximately 11,000 pounds of brand new material.

The picture on page 5 which is scrap pieces of structural panels which will be included in the reclaimed aluminum blanks lot.
