

## **SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE**

**The Missouri Department of Transportation has determined that only one source can provide the products or services described below**

**Title:** SFS 7-160408KH  
Evaluation & Retrofit of Forney Hydraulic Compression Machines

**Description:** The Missouri Department of Transportation (MoDOT), Physical Laboratory, has determined that only one source, Forney Inc., can provide the department with an upgrade and retrofit for the operating systems and control mechanisms for compressive strength machines, Forney Model FT40. This will include conversion of the hydraulic and electrical systems. Upgrades will be retrofitted to use with existing FT40 load frames. Equipment shall be evaluated and upgrade shall be based on evaluation of equipment and approved by owner prior to incorporation. Machines are located in MoDOT's Northwest District.
