
SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

- Title:** SFS 7-170303RW
Penetrating Concrete Sealer with Corrosion Inhibitor
- Description:** The Missouri Department of Transportation has determined that only one source, Shield Products, Inc., can provide Protectosil CIT Sealer with Corrosion Inhibitor. The product exhibits a rapid dry-time and the ability to increase patching material bond strength. This sealer has the properties required by MoDOT of a dry time of 15 minutes or less to reduce worker exposure time to traffic hazards and to provide for more timely release of the treated surfaces to public traffic. The corrosion inhibitor reduces the halo effect of corrosion on reinforcing steel which increases the life of concrete patches on older bridge structures.
- Contract Period:** Notice of Award through February 28, 2018
- Renewal Options:** Three (3) one-year renewal options
- Agency:** Missouri Department of Transportation
- Supplier:** Shield Products, Inc.
- Buyer:** Robin Warren
- Phone Number:** 573-526-7929
- E-Mail:** Robin.Warren@modot.mo.gov
- Posting Date:** February 24, 2017
- Response Date:** March 3, 2017
