SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

Title: 7-SL150428 Specific DOT Rapid Set Cement
Description: The Missouri Department of Transportation, District has determined that only CTS Mfg., of Mexico, MO. can provide the Department with specific use, Rapid –Set DOT Cement in bulk form as blended to perform a specific use patching material for deck and dense overlays with the ability to reach 3000 psi in one hour, and the reasonable workability in patching operations that allows for a smooth finished surface. This specific product has been tested as fully and absolutely compatible for use with the desired result. This material has a proven history to successfully meet the patching needs of the district in the summer heat as well as conditions below freezing in the winter. This notice shall meet the single feasible source posting requirements for one calendar year and in association with the needs described. The approximate value of the product is estimated at a cost of \$ 12,000 .00
