SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below.

Title: 7-SL170410 – EnerSys Genesis XE95 Batteries

Description: The Missouri Department of Transportation, St. Louis District has determined that only Battery Outfitters can provide the Department with EnerSys Genesis XE95 pure lead batteries. Battery Outfitters is the sole authorized distributor for this product in the state of Missouri. Batteries are needed to ensure that the UPS/battery backup systems are operational and capable of running our traffic signals if and when the local utility power is lost with an unknown duration. This battery has been used at a number of locations around the St. Louis District and MoDOT must continue to utilize for consistency and uniformity throughout our traffic system. This notice shall meet the single feasible source posting requirements for one calendar year and in association with the needs described. Cost of initial purchase is \$57,000.00. Additional purchases as needed may be incorporated into this posting notice.

Issues with this purchase may be directed to Stephanie Austin Rashid, Sr. Procurement Agent at 314-205-7307 or Stephanie.AustinRashid@modot.mo.gov, until April 10, 2017.
