## SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

**The Missouri Department of Transportation has determined that only one source can provide the products or services described below.**

**Title:** 7-SL160814 Flatliner Skid Steer Attachment

**Description:** The Missouri Department of Transportation, St. Louis has determined that there is only one known source from which to acquire the proprietary attachment “Flatliner” designed to smooth pavement roughness by shaving high spots and other irregularities. The manufacturer is Keystone Engineering, of Indianapolis, Indiana who uses Flat Tooth Technology along with a machined and precise holder system to insure a smooth and uniform surface. The Flatliner can remove bumps caused by failing joints as well as pavement markings or coatings with minimal impact to the pavement. The product was demonstrated successfully on route CC in St. Louis County. Purchase price of the unit is \$52,800.00.
