

Establish contract to furnish “**CORRUGATED DOUBLE WALL POLYETHYLENE CULVERT PIPE**”. Prices must include all associated costs, including delivery. Award of this solicitation will be made on an “All Or Nothing” basis using the “lowest and best” principle of award. As pipe lengths (min. & max.) varies slightly from vendor to vendor, MoDOT required each bidder to submit their pricing “per foot” or “each” rate for line item(s) 001-016 listed below to equally compare bids/calculations to determine the “lowest and best” bidder. After the award decision is made, and before P.O.’s are issued, MoDOT will work with the awarded vendor to adjust the actual pipe footage and band quantities ordered to best match the available footages for that manufacturer with the amounts that will best meet project requirements. Buyer: Judy Franke, KC Sr. Procurement Agent, 816-347-4111, Judy.Franke@modot.mo.gov

Prices to remain firm until December 31, 2013 (10-15 Days ARO)

SPECIFICATION: MGS-92-13C & Missouri Standard Specifications for Highway Construction, Edition of 2011 Section 1047.

- KC District will only accept “TYPE S” corrugated double wall polyethylene culvert pipe as described in section 2.1 (corrugated surface outside and smooth inner liner), furthermore,**
- KC District will only accept plain end pipe (plain end-bandable-only). Beel & spigot end pipe or snap together poly pipe will not be accepted.**
- Pipe/Bands/End Sections MUST be sourced from vendors on MoDOT’s approved list of Qualified Fabricators (FS-1047 Table 1).
