SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

Title: MioVISION Traffic Counter Unit
MioVISION Technologies Inc. – KC7-S13-023

Description: The Missouri Department of Transportation's Kansas City District has determined that only one source, MioVISION Technologies Inc. (MTI), Kitchener, Canada can provide the Department with the distribution of **MioVISION Traffic Counter Units** that collect video for turning movement intersection studies that will interface with existing traffic counters, as well as be replacements for current counters. MTI is the sole manufacturer and provider for proprietary Automated Turning Movement Count System and replacement parts that will collect, analyze, and provide detailed reports of vehicular counts and associated vehicle movements at intersections. Estimated cost could exceed \$25,000.00 annually. This notice shall meet the single feasible source posting requirements for three calendar years and in association with the needs described.
