
SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

Title: Solar Power Radar Sign – KC7-S16-004

Description: The Missouri Department of Transportation's Kansas City District has determined that only Radarsign, Alpharetta, GA, to our knowledge, is the only source that can provide the department with a Solar Power Radar Sign with 17" LED Display. Radarsign is the sole manufacturer and provider for proprietary solar power radar sign used for roadway safety. Estimated cost is \$4,685.00 per sign. This posting shall meet the single feasible source requirements for three calendar years.
