SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below.

Title: 7-SL171121 – V-Head Attachment

Description: The Missouri Department of Transportation, St. Louis District, has determined that only one company, Keystone Engineering, can provide the department with proprietary V-Head Attachment. This attachment is compatible with existing Flatliner Skid Steer Attachment. The configuration (trapezoidal) and 4" width of the V-Head attachment provides the concise geometry for an optimal permanent repair of concrete joints. The existing attempts using traditional millheads have resulted in a spider cracking along the sides of the milled section, the angled V-Head attachment will correct this problem. Cost of this purchase is \$24,500.00.

Issues with this purchase may be directed to Stephanie Austin Rashid, Sr. Procurement Agent at 314-301-1439 or Stephanie.AustinRashid@modot.mo.gov, until November 21, 2016.
