# **CIMLINE PAVEMENT MAINTENANCE GROUP**

## **Cimline Pavement Maintenance Group Cimline Product Warranty Policy 2016**

Cimline Pavement Maintenance Group warrants its equipment to the original purchaser only, against defects in material or workmanship based on normal use of service.

Cimline Equipment is warranted for one year / 1000 hours of use and includes / excludes the following:

- Includes basic frame and tanks, steel fabricated parts, hydraulic and burner control system.
- Excludes the engine, air compressor, battery, and tires as these items are covered by their respective manufacturer; and all warranty for these items should be directed to their local authorized distributor/dealer.

Warranty period begins at the date unit is first placed in service, or shipped from factory. Upon sale or rental of the equipment by the distributor or Cimline the provided warranty card should be mailed within 10 days stating date unit placed in service. In the absence of this card on file, the warranty period begins from date of shipment from factory.

Warranty for material pumps and electric heated hoses are pro-rated using the following scale:

<u>Days</u>	<u>Hours</u>	<u>Warranty Coverage</u>
1 year	500 hours	100%

All warranty hoses and pumps will be a required return for evaluation of failure

Replacement parts are warranted for a period of 60 days from factory invoice, with the exception of the replacement material pumps and heated hoses, which use the above scale for pro-rated coverage. For replacement parts that are purchased for distributor stock, the 60-day period will commence from the date of distributor to end user invoice. A copy of the invoice will be required as proof of in service date. If invoice is not provided, policy will revert back to the original factory invoice date.

Warranty does not apply to wear items, defects caused by improper or unreasonable use, damage, including freight damage, accidents, failure to provide reasonable maintenance or faulty repair made by others; further, warranty is void if the product or any of its components are modified or altered in any way or if aftermarket or NON-OEM parts have been used during the warranty period.

Our responsibility under the warranty is limited to replacement or repair (at Cimline's discretion) of such part or parts, as inspection shall disclose to have been defective, to be performed at Cimline Inc. factory at Plymouth, MN or at a facility designated by Cimline.

In no event shall Cimline Pavement Maintenance Group be liable for incidental or consequential damages of any kind whatsoever. Downtime, overhead and performance penalties are not recognized at any time as part of warranty coverage. Reasonable labor, travel, and diagnostic time will be reviewed for reimbursement. The use of aftermarket NON-OEM parts and or altering the original equipment will result in denial of the claim.

Mileage will be reimbursed at a rate of 75 cents per mile (domestic 48 states), and no more than one round trip per claim. Shop Labor will be reimbursed at a max. rate of \$80/hour.

For electric heated hose claims; The defective hose must be returned to the Cimline factory for inspection. All other components must be returned only at the request of Cimline Customer Service.

Parts freight will be reimbursed at a "UPS REGULAR" rate only for stock items, and for non-stock items will be reimbursed at a "UPS BLUE" rate.

This warranty is in lieu of all other warranties expressed or implied, and such other warranties are hereby disclaimed including any warranty of merchantability and fitness for a particular purpose.

In the event of freight damage, a claim must be filed by the purchaser with the freight carrier. All claim notices to Cimline pursuant to this limited warranty must be made by completing a Cimline Warranty Claim Form which should be **Emailed to:** [customerorders@plymouthind.com](mailto:customerorders@plymouthind.com) or **Faxed to:** Toll Free Fax: 866-557-1971 or **Mail To:** Customer Service, Cimline Inc. 2601 Niagara Lane, Plymouth, MN 55447

No exceptions will be made to this warranty unless agreed to in writing by the Cimline Customer Service Manager.

**Cimline Pavement Maintenance Group**

## COOPERATIVE AGREEMENT NOTICE

The Department is interested in assisting Missouri governmental entities, etc. in purchasing equipment, various materials and supplies that meet the Highway and Transportation Department specifications.

Each bidder is asked to indicate below whether they would be willing to offer *melter applicators and pavement cutters* listed in the attached "Request for Bid" for sale to these local political entities at the same bid price offered to this Department.

It is understood the Department will not issue purchase orders, accept delivery nor make payment for these items ordered by any of these agencies. It is further understood the price is based on the *melter applicators and pavement cutters* meeting the Department specifications. Any added options, deletions, or extra freight costs would be negotiated between the local agency and the successful vendor.

Indicate below whether your company is willing to offer such cooperative purchasing for Missouri counties, cities or other political entities.
