

SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

Title: 7-SL160408 Iteris Video Detection Products and Replacement/Repair

Description: The Missouri Department of Transportation, St. Louis has determined that only MoboTrex (formerly Brown Traffic Corporation) of Davenport, IA, is the sole authorized distributor for product, service, and repair of Iteris line of Edge2, RZ4 WDR Cameras and Vector items can provide the Department with specific use product, warranty and service repairs for existing Iteris video detection products already installed in St. Louis district. Repairs to Iteris products by unauthorized repair facilities could void any warranty and/ or functional responsibility on the part of the respective manufacturer. These specific products and / or service have been documented as fully and absolutely compatible with all current systems. This notice shall meet the single feasible source posting requirements for one calendar year and in association with the needs described. This will be an on-going product replacement and repair not to exceed \$100,000.00 annually.

Issues with this purchase may be directed to Terri Mount, Sr. Procurement Agent at 314-301-1431 or Teresa.Mount@modot.mo.gov, until April 5, 2016.
