Award

Award of this solicitation will be made on an "All Or Nothing" basis using the "lowest and best" (including delivery time frame and other factors to make our award decision) principle of award. Notification of award will be at the time the tabulation is posted to the Internet. It is the sole responsibility for all bidders to check the website for bid results.

Increase or Decrease Quantities

The quantities listed are MoDOT's best estimate of needs at the time of the solicitation posting. MoDOT reserves the right to increase or decrease quantities based upon budget constraints or changes in project requirements. The final quantity ordered by MoDOT shall be furnished at the same unit price.

Delivery

Delivery costs must be included in the unit prices & not listed separately. The awarded vendor shall furnish MoDOT with a planned delivery schedule at least 24 hours before starting delivery. It will be necessary for a MoDOT representative to be present when material is delivered. No deliveries will be made outside of normal working hours, Saturdays, Sundays, or state holidays unless specifically authorized by the engineer or a designated representative.

Liquidated Damages

In the event the Contractor fails to deliver the material within the time was specified, the Department and the public will sustain damages because of such delay in delivery, the exact extend of which would be difficult to ascertain, and in order to liquidate such damage in advance it is agreed that the sum of \$100.00 per day, per item, for each assessable calendar day on which the delivery has not been completed, is reasonable and the best estimate which the parties can arrive at as liquidated damages, and it is therefore agreed that said amount will be withheld from payments due the Contractor or otherwise collected from the Contractor as liquidated damages. Saturdays, Sundays, holidays and days whereas the Department has suspended work shall not be assessable days.
