

SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

Title: 7-SL15224 Reinforced Fiber Polymer

Description: The Missouri Department of Transportation, St. Louis, has determined that only QuakeWrap, Inc., manufacturer of Pile Medic products, of Tucson, AZ., can provide the Department with specific use SuperLaminate™ material to restore deteriorated bridge pile in District.

Material consists of a coated glass and/or carbon sheeting used for repair and strengthening of steel. This system was installed in 2010 for the required evaluation of two years on an in-service structure and considered to provide a significant savings when utilized.

This specific products and / or service has been documented as fully and absolutely compatible with all current systems. This notice shall meet the single feasible source posting requirements for one calendar year and in association with the needs described. Purchases not to exceed \$25,000.

Issues with this purchase may be directed to Terri Mount, Sr. Procurement Agent, at 314-301-1431 or Teresa.Mount@modot.mo.gov, until February 24, 2015.

Contract Period: February 24, 2015 through February 24, 2016.

Renewal Options: 2 years

Agency: Missouri Department of Transportation
