2.10 Liquidated Damage Requirements:

- 2.10.1 The contractor shall agree and understand that providing the Truck Painting in accordance with the requirements stated herein is considered critical to the efficient operations of MoDOT.  - a. In the event the contractor fails to provide Truck Painting in accordance with the contractual requirements specified herein, the contractor shall be assessed liquidated damages in the amount of \$100.00 per day for each such delinquent day.
 - b. The contractor shall further agree and understand that such liquidated damages shall either be deducted from the total amount due the contractor or paid by the contractor as a direct payment to MoDOT, at the sole discretion of MoDOT.

- 2.11.4 MoDOT is exempt from paying Missouri Sales Tax, Missouri Use Tax and Federal Excise Tax. However, the contractor may themselves be responsible for the payment of taxes on materials they purchase to fulfill the contract. A Federal Excise Tax Exemption Certificate will be furnished to the successful bidder upon request.
- 2.11.5 Unless otherwise provided for in the solicitation documents, payment for all equipment, supplies, and/or services required herein shall be made in arrears. The Missouri Highways and Transportation Commission (MHTC) shall not make any advance deposits.

2.12 Other Contractual Requirements:

- 2.12.1 Contract Period - The contract shall commence from the date of award until December 31, 2013 with up to two (2) one-year renewal option periods. If the option for renewal is exercised by MoDOT, the contractor shall agree to all terms and conditions of the RFB and all subsequent amendments. Renewal options are at the sole discretion of MoDOT.
- 2.12.2 Renewal Periods - If the option for renewal is exercised by MoDOT, the contractor shall agree that the percentages for the renewal period shall not exceed the maximum percentage for the applicable renewal period stated herein.
 - a. If renewal percentages are not provided, the prices during renewal periods shall be the same as during the original contract period.
 - b. MoDOT does not automatically exercise its option for renewal based upon the maximum percentage of increase without documented justification supporting an increase, and reserves the right to offer or to request renewal of the contract at a percentage less than the maximum percentage stated.
 - c. In the event MoDOT exercises its option(s) to renew the contract, the requirements for future years shall be basically similar.
- 2.12.3 Escalation Clause - In the event the contractor requests a price increase during the contract period (original contract period or contract renewal period), the contractor must provide a written request and documentation justifying the need for a price increase, and the amount of such price increase. MoDOT will review the contractor's written request and documentation, and decide if a price increase is to be granted at that particular time. The contractor shall understand and agree that MoDOT's decision shall be final and without recourse.
 - a. No price increase shall be granted during the first 3 months of the original contract period, or if applicable, first 3 months of a contract renewal period.
 - b. In the event a price increase is granted due to an approved escalation, the renewal percentage shall be based upon the current contract value.

2.13 Additional Information:

- 2.13.1 Springs, axels, differential housing and suspension parts are included as areas to be treated only from the cab back as stated in Section 2.1.1: "...frames to include undercarriage and frame area exposed from cab back". To elaborate it would be that when the dump bed is raised the chassis from the cab back is fully exposed therefore it is explained "frame area exposed from cab back". In the past, the expectation has been also to capture the areas forward of the "back of the cab" to the front of the vehicle below the body line that are visible to a walk around such as the side steps for the cab, the exposed area of the fuel tank, tool box and front bumper & plow brackets. Other areas include hydraulic pump, hoses, cylinder, bracket, bottom of frame rail, hydraulic valve enclosure, steps, hitch, hitch plate, d rings, etc.
- 2.13.2 Tarp systems are removed by the vendor.
- 2.13.3 MoDOT understands that our trucks are exposed to an extreme amount of asphalt and can often times be too much for a sandblaster to remove from the suspension parts. Therefore, we don't expect a vendor to get all the material off the suspension parts.
- 2.13.4 Clarification of option of (BED FLOOR) on pricing page: This is an "option" but we don't typically exercise it on dump beds. To elaborate, the "bed floor" is an area on our dump trucks that takes much abuse and constant wear so we typically do not paint the interior of the beds below where the typical wear line is from material being hauled in the dump beds. Usually, it is expected that the inside of the dump beds would be blasted, primed and painted from the top of the bed to about a foot down the inside of the bed. Again, this is usually where steady wear begins from hauling material. Any painting at that point would be unnecessary simply because it would be worn off from hauling material.

This "option" would be and has been used in the past for a flatbed type truck where material is not hauled and rust develops.

3.1.4 Open Competition / Request For Bid Document:

- a. It shall be the bidder's responsibility to ask questions, request changes or clarification, or otherwise advise MoDOT if any language, specifications or requirements of an RFB appear to be ambiguous, contradictory, and/or arbitrary, or appear to inadvertently restrict or limit the requirements stated in the RFB to a single source. Any and all communication from bidders regarding specifications, requirements, competitive bid process, etc., must be directed to the buyer from MoDOT, unless the RFB specifically refers the bidder to another contact. Such communication should be received at least three (3) working days prior to the official bid opening date.
- b. Every attempt shall be made to ensure that the bidder receives an adequate and prompt response. However, in order to maintain a fair and equitable bid process, all bidders will be advised, via the issuance of an amendment to the RFB, of any relevant or pertinent information related to the procurement. Therefore, bidders are advised that unless specified elsewhere in the RFB, any questions received less than three (3) working days prior to the RFB opening date may not be answered.
- c. Bidders are cautioned that the only official position of the MoDOT is that which is issued by MoDOT in the RFB or an amendment thereto. No other means of communication, whether oral or written, shall be construed as a formal or official response or statement.
- d. MoDOT monitors all procurement activities to detect any possibility of deliberate restraint of competition, collusion among bidders, price-fixing by bidders, or any other anticompetitive conduct by bidders which appears to violate state and federal antitrust laws. Any suspected violation shall be referred to the Missouri Attorney General's Office for appropriate action.

3.1.5 Bids will be reviewed to determine if the bid complies with the mandatory requirements, and to determine the lowest and best bid.

3.1.6 Cost Determination – The low bid shall be determined by adding all of the firm, fixed prices on the pricing page for the original contract period.

- 3.1.7 Contract Award – The contract will be awarded to the lowest responsive bidder determined as specified above.
- a. Award of this bid will be made on an “All Or Nothing” basis using the “lowest and best” principle of award.

The exclusive venue for any legal proceeding relating to or arising, out of the contract shall be in the Circuit Court of Cole County, Missouri.

This Executive Order, which promulgates the State of Missouri's position to not tolerate persons who contract with the state engaging in or supporting illegal activities of employing individuals who are not eligible to work in the United States, is incorporated herein by reference and made a part of this Agreement.
