NOTICE TO CONTRACTORS

Each bid must be mailed or hand delivered in a sealed envelope to Ms. Stephanie Austin Rashid, CPPB, Procurement Unit, Operations Complex, 2309 Barrett Station Rd., Ballwin, Mo. 63021.

Bids must be returned to the office of Ms. Austin Rashid no later **than 10:00 a.m., Local Time, April 7, 2016.**

- (1) **PROPOSED WORK:** The proposed work, hereinafter called the work, includes:

Route WW Culvert Replacement, located in Jefferson County runs from the intersection of Route Y in Grubville, MO to the intersection of Route WW and H near Fletcher, MO.

The contractor shall furnish all equipment and personnel to assist MoDOT forces for removal and replacement of culverts pipe and associated work at specific locations as specified for the Missouri Highway and Transportation Commission (MHTC) and Missouri Department of Transportation (MoDOT), in accordance with the provisions and requirements stated herein.

(2) **COMPLIANCE WITH CONTRACT PROVISIONS:** The bidder, having examined and being familiar with the local conditions affecting the work, and with the contract, contract documents, including the Missouri Highways and Transportation Commission's "Missouri Standard Specifications for Highway Construction, 2011," and "Missouri Standard Plans for Highway Construction, 2009", their revisions, and the request for bid, including appendices, the special provisions and plans, hereby proposes to furnish all labor, materials, equipment, services, etc., required for the performance and completion of the work. All references are to the Missouri Standard Specifications for Highway Construction, as revised, unless otherwise noted. All "Section" and "Sec" references in this RFB shall refer to the Missouri Standard Specifications for Highway Construction. **All questions concerning the bid document preparation shall be directed to the Stephanie Austin Rashid – Procurement Division at (314) 301-1439.**

(3) **PERIOD OF PERFORMANCE:** If the bid is accepted, the bidder shall continuously and diligently prosecute the work in such order and manner as will ensure the completion of the work within the time specified in the Scope of Work and in accordance with Sec 108.

(4) **LIQUIDATED DAMAGES:** The bidder agrees that, should the bidder fail to complete the work in the time specified or such additional time as may be allowed by the engineer under the contract, the amount of liquidated damages as specified in this section shall be recovered in accordance with Sec 108. If the contractor, or in case of default, the surety fails to begin the work by the notice to proceed date or fails to complete the work within the mutually agreed schedule included in each job order, the Commission, the traveling public, and state and local police and governmental authorities will be damaged in various ways, including but not limited to, increased construction administration cost, potential liability, traffic and traffic flow regulation cost, traffic congestion and motorist delay, with its resulting cost to the traveling public. These damages are not reasonably capable of being computed or quantified. Therefore, the contractor will be charged with liquidated damages specified in the amount of **\$500.00 per day** for each full day that the work is not started and **\$500.00 per day** for each full day that the work is not completed within the required time periods. It shall be the responsibility of the engineer to determine the quantity of excess time.

(5) **CONSTRUCTION SAFETY PROGRAM:** Missouri law, 292.675 RSMo, requires the awarded Contractor and its subcontractor(s) to provide a ten-hour occupational safety and health administration (OSHA) construction safety program (or a similar program approved by the Missouri Department of Labor and Industrial Relations as a qualified substitute) for their on-site employees (laborers, workmen, drivers, equipment operators, and craftsmen) who have not previously completed such a program and are directly engaged in actual construction of the improvement (or working at a nearby or adjacent facility used for construction of the improvement). The Contractor and its subcontractor(s) shall require all such employees to complete this ten-hour program, pursuant to 292.675 RSMo, unless they hold documentation on their prior completion of said program. Penalties for non-compliance include Contractor forfeiture to the Commission in the amount of \$2,500, plus \$100 per contractor and subcontractor employee for each calendar day such employee is employed beyond the elapsed time period for required program completion under

292.675 RSMo.

(6) **PERSONAL PROTECTIVE EQUIPMENT:** All contractor and subcontractor employees utilized in the performance of work resulting from this request must adhere to OSHA standards and at a minimum shall utilize appropriate head, eye and foot protection in the performance of work.

All workers within highway right of way shall wear approved ANSI/ISEA 107 Performance Class 2 or 3 safety apparel and more specifically as follows:

Daytime Flagger. During daytime activities, flaggers shall wear a high visibility hard hat, safety glasses, a Performance Class 3 top OR a Performance Class 2 top, and safety footwear. Hard hats other than high visibility orange or green shall be covered with a high visibility covering.

Daytime Worker. During daytime activities, workers shall wear a hard hat, safety glasses, a Performance Class 3 top OR a Performance Class 2 top, and safety footwear.

Nighttime Flagger. During nighttime activities, flaggers shall wear a high visibility/reflective hard hat, safety glasses, a Performance Class 3 top AND Class E bottoms, OR Performance Class 2 top AND Class E bottoms, and safety footwear. Hard hats shall be reflective or covered with a high visibility covering.

Nighttime Worker. During nighttime activities, workers shall wear a hard hat, safety glasses, a Performance Class 3 top OR Performance Class 2 top AND Class E bottoms, and safety footwear.

(7) **PREVAILING WAGE:** General Wage order #59 to apply, St. Charles County, MO in accordance with Section 110.

(8) **BID GUARANTY:** The bidder shall submit a Bid Guaranty meeting the requirements of Section 102 of the Missouri Standard Specifications for Highway Construction. The project bid bond form is included in the bid book and the project and annual bid bond forms are also available on MoDOT's website. Paper annual bid bonds shall be submitted to MoDOT by June 15th of each year, and electronic annual bid bonds shall be executed by June 15th of each year. The bidder shall mark the box below to identify the type of Bid Guaranty.

- Paper Annual Bid Bond
- Cashier's Check/Paper Project Bid Bond
- Electronic Bid Bond

For bonding purposes, the estimated total cost of this contract not to exceed \$75,000.00.

(9) **CERTIFICATIONS FOR STATE JOBS:** By signing and submitting this bid, the bidder makes the certifications appearing in Sec. 102.18.2 (regarding disbarment, eligibility, indictments, convictions, or civil judgments), Sec. 102.18.3 (regarding anti-collusion), and Sec. 102.18.5 (regarding Missouri Domestic Products Procurement Act). Any necessary documentation is to accompany the bid submission, as required by these sections. As provided in Sec. 108.13, the Commission may terminate the contract for acts of misconduct, which includes but is not limited to fraud, dishonesty, and material misrepresentation or omission of fact within the bid submission.

(10) **ANTIDISCRIMINATION:** The Commission hereby notifies all bidders that it will affirmatively insure that in any contract entered into pursuant to this advertisement, businesses owned and controlled by socially and economically disadvantaged individuals will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, creed, sex, age, ancestry, or national origin in consideration for an award.

(11) **PREFERENCE TO MISSOURI FIRMS IN AWARDING OF CONTRACTS:** The bidder's attention is directed to Section 34.355 RSMo Supp 2000, et seq, which requires that preference be given in awarding contracts to firms, corporations, or individuals doing business as Missouri firms, corporations, or individuals, or which maintain Missouri offices or places of business, when the quality of performance promised is equal, or better, and the price quoted is the same, or less.

The law also requires that a contractor or bidder domiciled outside the state of Missouri shall be required, in order to be the successful bidder, to submit a bid which is the same percent less than the lowest bid submitted by a responsible contractor or bidder domiciled in Missouri as would be required for the Missouri domiciled contractor or bidder to succeed over the bidding contractor or bidder domiciled outside Missouri in a like contract or bid being let in his domiciliary state. A contractor or bidder domiciled outside Missouri shall also be required to submit an audited financial statement as would be required of a Missouri domiciled contractor or bidder on a like contract or bid being let in the domiciliary state of that contractor or bidder.

For firms, corporations or individuals domiciled outside the state of Missouri, it is requested they submit the following information:

List the state of domicile

List address of all Missouri offices or places of business

(12) SIGNATURE AND IDENTITY OF BIDDER: The undersigned states that the following provided information is correct and that (if not signing with the intention to bind themselves to become the responsible and sole bidder) they are the agent of, and they are signing and executing this, as the bid of

Secretary of Corporation if Bidder is a Corporation

Affix Corporate Seal (If Bidder is a Corporation)

NOTE: If bidder is doing business under a fictitious name, the bid shall be executed in the legal name of the individual, partners, joint ventures, or corporation, and registration of fictitious name filed with the secretary of state, as required by sections 417.200 to 417.230 RSMo. If the bidder is a corporation not organized under the laws of Missouri, it shall procure a certificate of authority to do business in Missouri, as required by section 351.572 et seq RSMo. A certified copy of such registration of fictitious name or certificate of authority to do business in Missouri shall be filed with the commission, as required by the standard specifications.

(13) INSURANCE REQUIREMENTS: The bidder shall maintain or cause to be maintained at bidder's own expense commercial general liability, automobile liability, worker's compensation insurance against negligent acts, errors or omissions of the Contractor, or its subcontractors and anyone directly or indirectly employed by any of them. Any insurance policy required as specified in Section 107.13 shall be written by a company that is licensed and authorized to issue such insurance in the state of Missouri.

(14) INVOICING AND PAYMENT REQUIREMENTS: The contractor shall submit an itemized invoice to the following address after the completion of deliverables, as specified herein.

Missouri Department of Transportation
Business & Benefits
1590 Woodlake
Chesterfield, MO. 63017-5712

Each invoice should be itemized in accordance with items listed on the purchase order and/or contract. The statewide financial management system has been designed to capture certain receipt and payment information. Therefore, each invoice submitted must reference the purchase order number and must be itemized in accordance with items listed on the purchase order. Failure to comply with this requirement may delay processing of invoices for payment.

The contractor shall be paid in accordance with the firm, fixed prices stated on the pricing page(s) of this document after completion of deliverables specified herein and acceptance by MoDOT.

MoDOT is exempt from paying Missouri Sales Tax, Missouri Use Tax and Federal Excise Tax. However, the contractor may themselves be responsible for the payment of taxes on materials they purchase to fulfill the contract. A Project Tax Exemption Certificate will be furnished to the successful bidder upon request.

Unless otherwise provided for in the solicitation documents, payment for all equipment, supplies, and/or services required herein shall be made in arrears. The Missouri Highways and Transportation Commission (MHTC) shall not make any advance deposits.

The MHTC assumes no obligation for equipment, supplies, and/or services shipped or provided in excess of the quantity ordered. Any authorized quantity is subject to the MHTC's rejection and shall be returned at the contractor's expense.

Notarized weekly payroll documentation for prime and subcontractors will be required from start to finish of this contract showing compliance with prevailing wage rates. Lien Waivers from materials suppliers shall also be provided. Additional documents shall be furnished as required by other provisions in the bid package.

Payment shall be made per contractor invoice upon satisfactory completion of all work items and the receipt of the required documentation.

(15) PROHIBITION OF EMPLOYMENT OF UNAUTHORIZED ALIENS: Pursuant to Section 285.530, RSMo. no business entity or employer shall knowingly employ, hire for employment, or continue to employ an unauthorized alien to perform work within the State of Missouri. As a condition for the award of any contract or grant in excess of five thousand dollars by the State or by any political subdivision of the State to a business entity, or for any business entity receiving a state-administered or subsidized tax credit, tax abatement, or loan from the state, the business entity shall:

By sworn affidavit and provision of documentation, affirm its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the contracted services. E-Verify is an example of a federal work authorization program. The business entity must affirm its enrollment and participation in the E-Verify federal work authorization program with respect to the employees proposed to work in connection with the services requested herein by providing acceptable enrollment and participation documentation consisting of completed copy of the E-Verify Memorandum of Understanding (MOU). For business entities that are not already enrolled and participating in a federal work authorization program, E-Verify is available at http://www.dhs.gov/files/programs/gc_1185221678150.shtm

By sworn affidavit, affirm that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services. A copy of the affidavit referenced herein is provided within this document.

Proof of Lawful Presence For Sole Proprietorships and Partnerships: If the business entity is a sole proprietorship or partnership, pursuant to Section 208.009, RSMo., each sole proprietor and each general partner shall provide affirmative proof of lawful presence in the United States. Such sole proprietorship or partnership is eligible for temporary public benefits upon submission by each sole proprietor and general partner of a sworn affidavit of his/her lawful presence on the United States until such lawful presence is affirmatively determined, or as otherwise provided by Section 208.009, RSMo. A copy of the affidavit reference herein is provided within this document.

Scope of Work Route WW Culvert Replacement

Route WW, located in Jefferson County runs from the intersection of Route Y in Grubville, MO to the intersection of Route WW and H near Fletcher, MO. There are 36 locations on Route WW where the existing drainage structures may be replaced with new corrugated metal pipe culverts. The contractor shall provide equipment and manpower that will work with MoDOT maintenance crews to assist in the replacement of these drainage structures which are located at various locations along Route WW.

The contractor shall furnish all equipment and personnel necessary to complete the work described in this scope of work and as instructed by the engineer. MoDOT and the contractor shall coordinate the working hours and schedule for this work. The project must be completed by July 1, 2016.

The contractor shall provide manpower and equipment to excavate and remove existing pipes, including a breaker for the demolition of the existing asphalt and concrete. This work shall also include any necessary rock excavation required to remove and install the new pipe culverts. The contractor shall provide the equipment and manpower to install the pipes as directed by MoDOT personnel. The contractor shall provide manpower and equipment to compact the backfill of each excavated trench. Excavation and Backfill for each pipe shall be constructed in accordance with section 725 of the 2011 Missouri Standard Specifications for Highway Construction. MoDOT shall provide, install and maintain all traffic control devices. MoDOT shall provide a foreman to oversee the provisions of this scope of work. MoDOT will provide Saw-Cut for each location. MoDOT will provide the equipment and personnel to haul away and dispose of the necessary removals. MoDOT will supply corrugated metal pipe to the contractor for installation. MoDOT shall provide the material, equipment, and personnel to supply the necessary backfill. MoDOT shall provide the Geo-grid material to the contractor for installation. MoDOT will supply the skid steer and operator to place back fill material as the contractor conducts the compaction operation. MoDOT shall also provide the asphalt mixture, equipment, and personnel to pave each pipe location.

The quantities provided by MoDOT are only estimates and the contractor shall conduct their own site visit in order to provide an adequate bid.

The project shall consist of preparing and installing the various diameter pipe crossings.

<p>All equipment includes equipment, the necessary contractor forces required to operate machinery and perform the work as described in the proposal. It shall be the contractor's responsibility to provide adequately sized equipment to perform the necessary scope of work.</p>					

It shall be the responsibility of the contractor to have all utilities marked along the proposed work area to determine where conflicts may occur. The contractor shall be solely responsible and liable for incidental and consequential damage to any utility facilities or the interruption of service caused by their operation.

HIGH PERFORMANCE GEOTEXTILE FOR SOIL STABILIZATION AND REINFORCEMENT

1.0 Description. High Performance Geotextile for Soil Stabilization and Reinforcement shall be placed at the bottom of the trench and on top of the select granular backfill at locations where crossroad pipes are to be replaced by trenching method. Place geotextile in the areas specified in the drawing below for the width of the pavement, plus a minimum of 1 foot on each side for overlap. A 4 inch Type 5 Aggregate Base course shall be placed immediately on top of each geotextile layer. The geotextile placed at the bottom of the trench shall extend to both flared end sections of the new crossroad pipe.

2.1 Select Granular Backfill shall be provided and constructed in accordance with Sec. 1010.

2.2 For staged construction or fitting two separate pieces of geotextile together, the sections shall overlap each other at least 1 foot and be pinned as required to avoid movement when placing and compacting the Type 5 Aggregate.

3.0 Construction Requirements. This work shall be completed a minimum of 8 weeks prior to placement of the final resurfacing lift of the roadway. Trenching, placing geotextile, placing Type 5 Aggregate, placing pipe, select granular backfill, and the road open to traffic shall be done in the same day. Temporary asphalt will be required at no direct pay if the Contractor elects to place the final asphalt base at a later date in order to have the roadway open by the end of day.

The Contractor shall immediately notify the Engineer if unsuitable material is encountered at the bottom of the trench prior to placing the lower layer of geotextile.

3.1 The select granular backfill shall be placed in layers of no more than 12 inches thick and compacted with a minimum of three phases with a roller or hand tamping as approved by the Engineer.
