

SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

Title: 7-SL160407 Eagle Traffic Control Products, Siemens Traffic Control Products and Replacement/Repair

Description: The Missouri Department of Transportation, St. Louis has determined that only MoboTrex (formerly Brown Traffic Corporation), the Missouri distributor for Eagle Traffic Control Products, Davenport, IA., can provide the Department with specific use product, warranty and service repairs for existing Eagle and Siemens products already installed in St. Louis district. Repairs to Siemens or Eagle traffic control products by unauthorized repair facilities could void any warranty and/or functional responsibility on the part of the respective manufacturers. These specific products and/or service have been documented as fully and absolutely compatible with all current systems. This notice shall meet the single feasible source posting requirements for one calendar year and in association with the needs described. This will be an on-going product replacement and repair not to exceed \$200,000.00 annually.
